Cinemark Holdings, Inc. Reports Results for the First Quarter of 2021

PLANO, Texas--(BUSINESS WIRE)-- Cinemark Holdings, Inc. (NYSE: CNK), one of the largest motion picture exhibitors in the world, today reported results for the three months ended March 31, 2021. The Company's financial results continue to be impacted by the COVID-19 pandemic, as the Company continues to reopen its theatres based on local mandates. As of March 31, 2021, the Company had 301 domestic and 78 international theatres open, showing a limited volume of new releases along with library content during reduced operating hours.

Cinemark Holdings, Inc.'s total revenues for the three months ended March 31, 2021 were \$114.4 million compared to \$543.6 million for the three months ended March 31, 2020. For the three months ended March 31, 2021, admissions revenues were \$56.1 million and concession revenues were \$39.5 million. For the three months ended March 31, 2021, attendance was 7.7 million patrons, average ticket price was \$7.25 and concession revenues per patron were \$5.10.

Net loss attributable to Cinemark Holdings, Inc. for the three months ended March 31, 2021 was \$208.2 million compared to \$59.6 million for the three months ended March 31, 2020. Diluted loss per share for the three months ended March 31, 2021 was \$1.75 compared to \$0.51 for the three months ended March 31, 2020.

Adjusted EBITDA for the three months ended March 31, 2021 was \$(92.0) million compared to \$66.2 million for the three months ended March 31, 2020. Reconciliations of non-GAAP financial measures are provided in the financial schedules accompanying this press release and at investors.cinemark.com.

"Over a year has passed since COVID-19 prompted the shutdown of our global circuit, and today I am pleased to report that we are now actively on the road to recovery," stated Mark Zoradi, Cinemark CEO. "We are highly optimistic about theatrical exhibition's resurgence in the U.S. over the coming months on account of a range of factors, including the rapid pace of the vaccine rollout, improving consumer sentiment about returning to movie theaters, recent box office successes and confirmation of consistent product supply. On a global basis, we remain confident that, like the U.S., other countries will quickly recover as lockdowns reign in the virus and vaccines are more widely disseminated."

As of March 31, 2021, the Company's aggregate screen count was 5,872 and the Company had commitments to open six new theatres and 72 screens during the remainder of 2021 and 13 new theatres and 123 screens subsequent to 2021.
