Independent Business Owner Highlights Economic and Entrepreneurship Opportunities

LOS ANGELES, July 10, 2014 /PRNewswire/ -- Herbalife (NYSE: HLF), a leading global nutrition company, announced that today an independent Herbalife Member from Virginia is traveling to Washington, D.C. in support of Herbalife and the value it has brought to Members, consumers and communities for over 34 years.

This independent Member will represent Members from across the state. In Virginia alone there are more than 8,200 independent Herbalife Members.

It's the first time a Member from Virginia brings a clear message to Capitol Hill about the opportunity and integrity behind Herbalife's products:

- **Herbalife is a company built on great products.** Herbalife has been making nutritional products for nearly 35 years developed by expert scientists and nutritionists using quality ingredients and produced in facilities with industry-leading quality controls. Nearly three-quarters of Members join Herbalife to use its products for their own consumption and a quarter of Members are so passionate about Herbalife that they have chosen to sell the products.
- **With hard work and dedication, Herbalife can lead to real business opportunities and a healthier life.** People chose to sell Herbalife products because the company offers an equal and accessible economic opportunity, world-class products, and the opportunity to connect with a community of like-minded people.
- **Herbalife has the best consumer protections in the direct selling industry.** The company's 'Gold Standard' Member protections include low start-up costs with no minimum product purchase requirements and a 100% money-back guarantee, including shipping costs.

Mary Roman, a Herbalife Member from Annandale, Virginia said, "Having the opportunity to

get in shape with great products and sharing that with other people is what keeps me engaged with Herbalife. Herbalife promotes a healthy active lifestyle while giving members like myself a way to better ourselves economically through hard work and dedication. I'm motivated to be the best I can be as part of the Herbalife community and I truly love and embrace the opportunity to share my experience with others."
