Forward Looking Statements

This release includes and incorporates by reference "forward-looking statements" within the meaning of the federal securities laws. All statements that are not historical facts are forward-looking statements. The words "estimate," "project," "intend," "expect," "believe," "should," "anticipate," "hope," "optimistic," "plan," "outlook," "should," "could," "may" and similar expressions identify forward-looking statements. The forward-looking statements are subject to certain risks and uncertainties, including without limitation those identified below, which could cause actual results to differ materially from historical results or those

anticipated. Readers are cautioned not to place undue reliance on these forward-looking statements. The following factors could cause actual results to differ materially from historical results or those anticipated: adverse economic conditions, including risks relating to the impact and spread of and the government's response to COVID-19; inability to weather an economic downturn; a prolonged decrease in nickel and oil prices; the impact of competitive products and pricing; product demand and acceptance risks; raw material and other increased costs; raw materials availability; financial stability of our customers; customer delays or difficulties in the production of products; loss of consumer or investor confidence; employee relations; ability to maintain workforce by hiring trained employees; labor efficiencies; risks associated with mergers, acquisitions, dispositions and other expansion activities; environmental issues; negative or unexpected results from tax law changes; inability to comply with covenants and ratios required by our debt financing arrangements; and other risks detailed from time-to-time in Synalloy Corporation's Securities and Exchange Commission filings. Synalloy Corporation assumes no obligation to update any forward-looking information included in this release.
