

Cryoport to Report Second Quarter 2023 Financial Results on August 9, 2023

NASHVILLE, Tennessee, August 2, 2023 - [Cryoport, Inc.](#) (Nasdaq: CYRX) (“Cryoport” or the “Company”), a leading global provider of innovative products and services for the fast growing cell and gene therapy industry, reproductive medicine and animal health industries, today announced that the Company will report financial results for the second quarter ended June 30, 2023 on Wednesday, August 9, 2023 after U.S. markets close.

In addition to the earnings release, a document titled “Cryoport Second Quarter 2023 in Review”, providing a review of Cryoport’s financial and operational performance and a general business update, will be issued at 4:05 p.m. ET on Wednesday, August 9, 2023. The document is designed to be read in advance of the questions and answers conference call and will be accessible at <http://ir.cryoport.com/events-and-presentations>.

Cryoport management will host a conference call the same day at 5:00 p.m. ET. The conference call will be in the format of a questions and answers session and will address questions members of the investment community have regarding the Company’s reported results. A slide deck will accompany the call.

Forward-Looking Statements

Statements in this press release which are not purely historical, including statements regarding the Company's intentions, hopes, beliefs, expectations, representations, projections, plans or predictions of the future, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, those related to the Company's industry, business, long-term growth prospects, plans, strategies, acquisitions, future financial results and financial condition, such as the Company's outlook for full year 2023 revenue, the Company's plans and expectations regarding the launch of new products and services, and the Company's belief that it is positioned to achieve sustainable, long-term revenue and earnings growth. It is important to note that the Company's actual results could differ materially from those in any such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, risks and uncertainties associated with the effect of changing economic conditions, including as a result of the COVID-19 pandemic and its variants, supply chain constraints, inflationary pressures, the ongoing war between Russia and Ukraine and the effects of foreign currency fluctuations, trends in the products markets, variations in the Company's cash flow, market acceptance risks, and technical development risks. The Company's business could be affected by a number of other factors discussed in the Company's SEC reports, including in the "Risk Factors" section of its most recently filed periodic reports on Form 10-K and Form 10-Q, as well as in its subsequent filings with the SEC. The forward-looking statements contained in this press release speak only as of the date hereof and the Company cautions investors not to place undue reliance on these forward-looking statements. Except as required by law, the Company disclaims any obligation, and does not undertake to update or revise any forward-looking statements in this press release.
