# Aramex Selects Sprinklr AI Chatbots for Transformative Global Customer Service

*Supporting Aramex's continuous commitment to innovating its overall customer experience*

NEW YORK--(BUSINESS WIRE)-- [Sprinklr](#) (NYSE: CXM), the unified customer experience management (Unified-CXM) platform for modern enterprises, today announced that [Aramex](#) – the Dubai-based leading provider of comprehensive logistics and transportation solutions – is using [Sprinklr Modern Care](#) to improve the efficiency and scale of its digital customer service.

Aramex will be using Sprinklr's AI chatbots in four languages to automate responses to common inquiries while driving positive customer experiences at a lower cost than live human interactions.

Since its foundation in 1982, Aramex has grown to become a global leader in the logistics and transportation industry, recognized for its customized and innovative services for businesses and consumers.

In order to increase its operational efficiency, Aramex is working to implement AI to automate tedious global customer service processes. The company is consolidating its contact center on Sprinklr's unified platform to serve customers with speed and efficiency on every major channel – including live chat, email, and WhatsApp.

More than 400 Aramex customer service agents will use [Sprinklr's Conversational AI and Bots](#) to manage customer inquiries across digital channels in multiple languages – all from a single Sprinklr dashboard. With Sprinklr, Aramex will be improving and transforming the overall customer experience with fast, effective, and efficient customer service at scale.

## Comments on the news:

“Our focus on quickly responding to changing customer preferences has helped Aramex successfully introduce market leading express delivery and logistics solutions to the Middle East and beyond,” **said Moe Abeidat, VP of Technology at Aramex.** “As customers increasingly prefer to connect with us across digital channels, we're thrilled to have Sprinklr's support in helping us exceed customer expectations and create a unified, digital customer service strategy.”

“Over the past 40 years, Aramex has rapidly evolved into a global brand recognized for its comprehensive logistics and transportation solutions that focus on putting the customer's preferences first. We're honored to have the opportunity to help Aramex maintain its customer-first focus by building a digital global customer service center on Sprinklr's unified platform,” **said Haitham Elkhatab, Vice President of MEA, Sprinklr.**
