

## DRIVING A POSITIVE IMPACT ON SOCIETY AND THE ENVIRONMENT

## **NCLH Animal Welfare Commitment**

At Norwegian Cruise Line Holdings Ltd. (the "Company"), we are committed to driving a positive impact on society and the environment, while delivering on our vision to be the vacation of choice for everyone around the world. Our business is inextricably linked to the preservation of our planet and the protection of our shared resources, and our commitments extend to our network of over 40,000 suppliers around the world.

We are deeply committed to sourcing safe, high-quality food. We collaborate with suppliers to establish our expectations of ethical, legal, and humane treatment of animals. We require our suppliers to implement procedures to prevent the mistreatment of animals, to follow all regulations and laws governing the safe and humane treatment of animals, and we expect our suppliers to pursue and adopt methods and technologies to improve welfare for animals.

We expect our business partners to comply with our Supplier Code of Conduct and to follow the laws and regulations that apply to them in every country applicable.

To help guide our approach, we engage with animal welfare experts, researchers, industry organizations, and others to integrate new learning, updated standards, and technological advancements into our understanding of the humane treatment of animals.

For more information about our goals to furthering the legal, ethical and humane treatment of animals across our supply chain, please visit the Company's sustainability page.
