Norwegian Cruise Line Holdings Ltd. and NCL Corporation Ltd. Announce Exchangeable Notes Refinancing Transaction

MIAMI, April 02, 2025 (GLOBE NEWSWIRE) -- Norwegian Cruise Line Holdings Ltd. (NYSE: NCLH) (the "Company") and NCL Corporation Ltd., a subsidiary of the Company ("NCLC"), announce that NCLC has entered into individually negotiated note exchange agreements with certain existing holders (the "Holders") of NCLC's 5.375% Exchangeable Senior Notes due 2025 (the "2025 Notes"), pursuant to which NCLC and the Holders have agreed to exchange (the "Exchange") \$285,425,000 in aggregate principal amount of the Holders' 2025 Notes for (i) \$285,425,000 in aggregate principal amount of NCLC's newly issued 0.875% Exchangeable Senior Notes due 2030 (the "2030 Notes") and (ii) an aggregate cash payment (the "Cash Payment") of \$51,624,820, plus accrued and unpaid interest on the 2025 Notes to be exchanged to, but excluding, the closing date of the Exchange. The Cash Payment will be equal to the proceeds from the concurrent Equity Offering, as described below, and represents the remainder of NCLC's exchange obligation in excess of the aggregate principal amount of the 2025 Notes to be exchanged.

Concurrently, the Company announces a registered direct offering of 2,708,533 ordinary shares to the Holders at a price of \$19.06 per share (the "Equity Offering" and together with the Exchange, the "Transactions"). The Company expects to use the proceeds from the Equity Offering to make the Cash Payment.

The closing of the Transactions is expected to occur on or about April 7, 2025, subject to customary closing conditions. Following the Exchange, approximately \$164,565,000 in aggregate principal amount of the 2025 Notes will remain outstanding. The Transactions will be neutral to the Company's leverage and, as of closing of the Transactions, are expected to reduce the Company's shares outstanding on a fully diluted basis by approximately 12.5 million shares.

The 2030 Notes will be general senior unsecured obligations of NCLC and guaranteed by the Company. Holders may exchange all or a portion of the 2030 Notes at the holder's option (i) at any time prior to the close of business on the business day immediately preceding October 15, 2029, subject to the satisfaction of certain conditions and during certain periods, and (ii) on or after October 15, 2029 until the close of business on the business day immediately preceding the maturity date, regardless of whether such conditions have been met. Upon exchange of the 2030 Notes, NCLC will satisfy its exchange obligation by paying cash up to the aggregate principal amount of the 2030 Notes to be exchanged and paying or delivering, as the case may be, cash, ordinary shares or a combination of cash and ordinary shares, at NCLC's election, in respect of the remainder, if any, of NCLC's exchange obligation in excess of the aggregate principal amount of the 2030 Notes to be exchanged. The initial exchange rate per \$1,000 principal amount of 2030 Notes

is 38.1570 ordinary shares, which is equivalent to an initial exchange price of approximately \$26.21 per ordinary share, subject to adjustment in certain circumstances. The initial exchange price represents a premium of approximately 37.5% above the offering price in the Equity Offering.

Barclays Capital Inc. is acting as the exclusive placement agent for the Equity Offering. The Equity Offering is being made under an automatic shelf registration statement filed with the U.S. Securities and Exchange Commission ("SEC") on November 8, 2023. The Equity Offering may be made only by means of a prospectus supplement and the accompanying prospectus, which will be filed with the SEC and will be available on the SEC's website at www.sec.gov.

The 2030 Notes are being issued in a private placement in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"). The 2030 Notes, the guarantee of the Company and the ordinary shares issuable upon the exchange of the 2030 Notes, if any, will not be registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such an offer, solicitation or sale would be unlawful prior to the registration and qualification under the securities laws of such state or jurisdiction.
