Herbalife Nutrition Launches “Nutrition for Zero Hunger” Initiative, Pledging \$2M to Help Fight Global Hunger

Company Announces Partnership With Feed the Children, a Global Champion for Ending Childhood Hunger

LOS ANGELES--(BUSINESS WIRE)-- Herbalife Nutrition (NYSE:HLF), a premier global nutrition company, today announced the launch of the *Nutrition for Zero Hunger* global initiative, pledging \$2 million to help end world hunger, ensure people have access to good nutrition and address rising obesity. The initiative, with the assistance of nonprofit partners, will focus on providing access to healthy foods, improving nutrition education, identifying sustainable food resources and raising awareness of the global crisis.

In conjunction with the launch of the initiative, the Company also announced its partnership with *Feed the Children*, a nonprofit organization committed to defeating childhood hunger worldwide. Feed the Children has designated September as Defeat Hunger Month and as a lead partner of *Nutrition for Zero Hunger*, Herbalife Nutrition will support their programs to help end hunger around the world.

“The *Nutrition for Zero Hunger* initiative addresses key pandemic problems and through our work with our partners, like Feed the Children, we hope to build a world where everyone has access to quality food and nutrition,” said Alan Hoffman, Executive Vice President, Global Corporate Affairs.

As a leader in the global nutrition, Herbalife Nutrition was founded, nearly 40 years ago, on the importance and value of good nutrition, providing a reliable source of nutritious food through a network of independent distributors to customers worldwide.

“Feed the Children is proud to partner with Herbalife Nutrition to address the important issue of childhood hunger,” said Travis Arnold, Feed the Children president and CEO. “The problem cannot be tackled alone. We know that when we combine our efforts, we will have a greater impact on the lives of families who need us most around the world.”

Feed the Children is an organization that is dedicated to supporting families and communities by providing food assistance and resources to help achieve stable lives both in the U.S. and internationally in 10 countries. In 2018, Feed the Children distributed 88.6 million pounds of food and essentials, working with community partners to support 6.5 million people globally.

In addition to supporting strategic partnerships, *Nutrition for Zero Hunger* aligns with the United Nation’s Sustainable Development Goal #2, which calls for bold action to end hunger in all its forms by 2030, as well as solutions to achieve food security and improve nutrition

worldwide. Through the \$2 million pledge, the Company will:

- Partner with organizations addressing hunger, food security and malnutrition
- Provide in-kind donations of nutritious food and nutrition products to vulnerable people
- Deliver resources to support nutrition education
- Engage and educate communities globally through integrated campaigns

Hoffman added, “we have seen how healthy nutrition impacts people’s lives, and we are committed to supporting this critical need to vulnerable populations all around the world.”
