(1) Variance is primarily due to intercompany receivables at the Radio level.

(2) As of December 31, 2025 and December 31, 2024, the variances are primarily due to additional goodwill of \$9.2 billion and additional FCC licenses of \$6.5 billion at Holdings and an additional intercompany receivable of \$4.0 billion at Radio.

(3) The variance is primarily due to accrued interest on debt held at the Holdings level and taxes.

(4) The variance is primarily due to deferred tax liabilities associated with purchase accounting adjustments at the Holdings level of \$1.8 billion as well as long-term debt at the Holdings level of \$579 million and \$594 million as of December 31, 2025 and December 31, 2024, respectively.
