

CHARTER OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS OF AUGMEDIX, INC.

I. PURPOSE

The Compensation Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of AUGMEDIX, INC. (the “*Company*”) through delegation from the Board, has principal responsibility to evaluate, recommend, approve and review executive officer and director compensation arrangements, plans, policies and programs maintained by the Company, and to administer the Company’s cash-based and equity-based compensation plans. Working with the Nominating and Governance Committee, the Compensation Committee will also consider and make recommendations regarding director compensation. The Committee may also make recommendations to the Board regarding any other Board responsibilities relating to executive compensation.

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee for evaluating, recommending and approving the Company’s executive officer and director compensation arrangements, plans, policies and programs maintained by the Company, and for administering the Company’s cash-based and equity-based compensation plans and arrangements for employees generally, whether adopted prior to or after the date of adoption of this Charter (including issuance of stock options and other equity-based awards granted other than pursuant to a plan).

II. MEMBERSHIP

The Committee will consist of two or more members of the Board, with the exact number determined from time to time by the Board. If then required by the rules, regulations or listing requirements of a stock exchange upon which Augmedix’s securities are listed, each member of the Committee will:

- be an “independent director” as defined under the applicable rules, regulations and listing requirements of Nasdaq, as amended from time to time (the “*Exchange Rules*”), except as may otherwise be permitted by such Exchange Rules;
- be “independent” as defined in any other rules and regulations (“*Commission Rules*”) promulgated by the Securities and Exchange Commission (the “*Commission*”) under Section 10C of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), except as may otherwise be permitted by Commission Rules;
- be a “non-employee director,” as defined in Rule 16b-3 under Section 16 of the Exchange Act;
- be an “outside director” under Regulation Section 1.162-27 promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended;
- be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member; and
- meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions and transition provisions.

In connection with appointing or continuing the membership of each director serving on the Committee, when affirmatively determining the independence of such member, the Board will consider all factors specifically relevant to determining whether such director has a relationship to the Company which is material to that director’s ability to be independent from management in connection with the duties of a member of the Committee, including, at a minimum:

- the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the Company to such director, including whether the director receives compensation from any person or entity that would impair his ability to make independent judgments about the Company's executive compensation; and
- whether such director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company, including whether the affiliate relationship places the director under the direct or indirect control of the Company or its senior management, or creates a direct relationship between the director and members of senior management, in each case of a nature that would impair his ability to make independent judgments about the Company's executive compensation.

All members of the Committee will be appointed by, and will serve at the discretion of, the Board. The members shall each serve until their respective terms as members of the Board shall expire, subject to earlier resignation or removal by the Board. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the "**Chair**"); if the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings.

III. RESPONSIBILITIES AND DUTIES

The principal responsibilities and duties of the Committee in serving the purposes outlined in Section I of this Charter are set forth below. These duties are set forth as a guide, with the understanding that the Committee will carry them out in a manner that is appropriate given the Company's needs and circumstances. The Committee may engage in such other activities, and establish such policies and procedures, from time to time as it deems necessary or advisable in implementing this Charter.

The Committee will:

1. Annually review the Company's overall compensation strategy, including base salary, incentive compensation and equity-based grants, to assure that it promotes stockholder interests and supports the Company's strategic and tactical objectives, and that it provides for appropriate rewards and incentives for the Company's management and employees.
2. Annually review and approve the goals and objectives to be considered in determining the compensation of the Company's Chief Executive Officer (the "**CEO**"), other "executive officers" as defined under Rule 3b-7 and "officers" as defined under Rule 16a-1(f) promulgated under the Exchange Act, as well as any other executive team members (collectively with the CEO, the "**Executive Officers**"), and evaluate their performance in light of these goals and objectives.

Based on this evaluation, including, as appropriate, an evaluation of the Company's performance, the Committee will, together with the other independent directors (as directed by the Board), determine and approve (i) the salary paid to the CEO, (ii) the grant of all cash-based incentive compensation and equity-based compensation to the CEO, (iii) the entering into or amendment or extension of any offer letter, employment contract or similar arrangement with the CEO, (iv) the entering into or amendment or extension of any CEO severance or change in control arrangements, and (v) any other CEO compensation matters. Based on this evaluation, including, as appropriate, an evaluation of the Company's performance and/or consultation with the CEO, the Committee will have the sole authority, subject to any approval by the Board which the Committee or legal counsel determines to be desirable or is required by applicable law or the Exchange Rules, to make decisions respecting (i) the salary paid to the other Executive Officers, (ii) the grant of all cash-based incentive compensation and equity-based compensation to the other

Executive Officers, (iii) the entering into or amendment or extension of any offer letter, employment contract or similar arrangement with the other Executive Officers, (iv) the entering into or amendment or extension of any other Executive Officer severance or change in control arrangements, and (v) any other Executive Officer compensation matters; provided that the Committee may take account of the recommendations of the Board (or any Board member) and the CEO's recommendations for other Executive Officer's compensation.

In connection with its evaluation of Executive Officer compensation (a "say on pay" vote), the Committee will consider the results of the most recent stockholder vote on executive compensation, communicate with stockholders or their representatives where appropriate, and make such adjustments to Company compensation practices for Executive Officers as it deems appropriate in response thereto, if any. Among the other factors, that the Committee may consider when evaluating Executive Officer compensation are (a) consistency with the Company's compensation strategy, (b) internal equity considerations, (c) competitive practices, and (d) applicable legal, accounting and regulatory considerations. In connection with such determinations, it may be necessary for the Committee to review all aspects of Executive Officer compensation, including review of the potential pay-outs in the event of retirement, termination with or without cause, and severance in connection with a change in control transaction, under a range of economic scenarios. The Committee also may take account of the recommendations of the CEO with respect to other Executive Officers for each of the foregoing items. The CEO may not be present during voting or deliberations regarding the CEO's compensation. In determining the long-term incentive component of CEO compensation, the Committee may consider the Company's performance and relative shareholder return, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to the CEO in past years.

3. Annually review and adopt and approve, or make recommendations to the Board with respect to adoption and approval of, or amendments to, all cash-based and equity-based incentive compensation plans and arrangements, and the cash amounts and aggregate numbers of shares reserved for issuance thereunder, after taking into consideration the Company's strategies with respect to cash-based and equity-based compensation.

4. When appropriate, review policies and procedures relating to perquisites and expense accounts of Executive Officers.

5. Administer and interpret the Company's cash-based and equity-based compensation plans and agreements thereunder, and in that capacity:

- interpret the equity plans as may be required from time to time;
- advise on the establishment of equity award guidelines and the general type and size of overall equity awards;
- approve all equity awards not expressly delegated as set forth below;
- establish parameters for delegated authority to issue equity awards in connection with new hires, spot awards and promotions, specifying limits on the number of shares and the price and type of awards to be granted;
- adopt, amend or recommend to the Board the adoption of or amendments to equity plans (subject to stockholder approval when required) as may be necessary or appropriate to carry out the Company's compensation strategy;
- determine whether awards that have performance-related criteria have been earned;

- correct any defect, supply any omission, or reconcile any inconsistency in any equity compensation plan, award, exercise agreement or other arrangement;
- re-price awards granted under equity-based compensation plans (subject to stockholder approval when required);
- when appropriate, modify existing equity awards (with the consent of the grantees) and approve authorized exceptions to provisions of the equity plans; and
- consider and adopt any required or appropriate option or equity award grant timing policy.

In addition to the authority to delegate to a subcommittee as set forth herein, the Committee may adopt an equity grant policy and delegate to the CEO (either alone or acting together with one or more other officers of the Company), including in conjunction with one or more officers, within the limits imposed by such policy and applicable law and the Exchange Rules, the authority to approve cash awards or make grants of stock options or restricted stock units to employees of the Company or of any subsidiary of the Company who are not Executive Officers or directors of the Company or any subsidiary (unless otherwise determined by the Committee), provided that in the case of grants of options, the price per share of any grant by the CEO is no less than the fair market value of the Company's common stock on the date of grant; provided further that, such delegation will not include authority to grant restricted stock awards or stock bonus awards. The CEO shall report to the Committee members at least quarterly in writing (which includes email) any equity grants made pursuant to such delegation, which report shall include each grantee's name, type of award, and number of shares.

6. Meet with the CEO at least annually to discuss the incentive compensation programs to be in effect for the other Executive Officers and for other employees of the Company or any Company subsidiary for such fiscal year, and the corporate goals and objectives relevant to those programs and performance targets applicable to the Executive Officers and, where appropriate, other employees of the Company or any subsidiary.

7. Administer and, if deemed necessary, amend the Company's 401(k) plan and any deferred compensation plans (collectively, the "*Designated Plans*"), and, if desired, delegate the routine administration of the Designated Plans to an administrative committee consisting of employees of the Company named by the Committee.

8. Have the sole authority, in consultation with the Nominating and Governance Committee, to recommend to the Board, for determination and approval by the Board, the form and amount of cash-based and equity-based compensation to be paid or awarded to the Company's non-employee directors, including compensation for service on the Board or on committees of the Board.

9. Review with management the Company's major compensation-related risk exposures and the steps management has taken to monitor or mitigate such exposures.

10. For so long as the Company is subject to the periodic reporting requirements of the Exchange Act, consider and make recommendations to the Nominating and Governance Committee regarding the frequency with which stockholder "say on pay" votes should occur, including whether to make any such recommendation at all regarding the frequency of such votes. Following any such "say on pay" frequency vote (i.e., prior to the promulgation of the Company's next annual meeting proxy statement), make recommendations to the Nominating and Governance Committee regarding the frequency with which "say on pay" votes shall be included in the Company's proxy statements pending the next such "say on pay" frequency vote.

11. For so long as the Company is subject to the periodic reporting requirements of the Exchange Act: (i) review and discuss the Company’s “Compensation Discussion and Analysis” disclosure and any narrative disclosure regarding the Company’s compensation policies and practices as they relate to its risk management prepared in response to the requirement of Item 402(b) and (s) of Regulation S-K, the narrative disclosure related to compensation consultants in determining or recommending the amount or form of executive and director compensation and the disclosure regarding any such consultant whose work has raised any conflict of interest in response to the requirements of Item 407(e)(3)(iii) and (iv) of Regulation S-K (or any successor disclosure items), any other “say on pay” narrative disclosure and other voting material to be included in, or as supplemental to, the proxy statement, as well as any methodologies and any narrative disclosure related to the Company’s CEO “pay ratio” in accordance with Item 402(u) of Regulation S-K, (ii) based on such review and discussion recommend to the Board whether such disclosures should be included in the Company’s annual report on Form 10-K, proxy statement, information statement or similar document, and (iii) prepare a report of the Committee for inclusion in the annual report or the proxy statement for the Company’s annual meeting in accordance with the rules and regulations of the Commission.

12. Oversee the Company’s compliance with regulatory requirements associated with compensation of its directors, officers and employees, and review the Company’s compliance program relating to restrictions on and reporting of securities transactions by the Company and its Executive Officers and directors.

13. Consider and, if determined to be appropriate, make a recommendation to the Board regarding adoption of a Company policy regarding recovery of incentive-based compensation that is based on financial information required to be reported under the Exchange Act (or other federal securities laws) following restatement of such financial information; provided that the Board shall have the sole authority to determine whether to adopt such a policy and the terms of such a policy.

14. Periodically review the Company’s procedures with respect to employee loans. The Committee will not approve any arrangement in which the Company, directly or indirectly, extends or maintains credit, arranges for the extension of credit or renews an extension of credit, in the form of a personal loan to or for any director or Executive Officer (or equivalent thereof) of the Company.

15. Oversee review of the Company’s diversity-related compensation equity practices.

16. Perform any other activities required by applicable law, rules or regulations, including the Exchange Rules and rules and regulations of the Commission, and take such other actions and perform and carry out any other responsibilities and duties delegated to it by the Board or as the Committee deems necessary or appropriate consistent with its purpose.

17. If requested by the Board, the Committee will evaluate potential successors to Executive Officer positions, and review strategies to accelerate the readiness of candidates identified for these positions, and including an overall assessment of executive talent. The Committee will also review other leadership and management processes upon request of the Board.

IV. STUDIES AND ADVISERS

The Committee may conduct or authorize studies of, or investigations into, matters within the Committee’s scope of responsibility, with full access to all books, records, facilities and personnel of the Company. The Committee has the right, at the Company’s expense, to retain its compensation and other consultants, legal counsel, accountants, experts and advisers of its choice to assist the Committee in connection with its functions, including any studies or investigations, and shall have direct oversight of the

work performed by such advisers. In connection with the retention of such advisers (other than in-house legal counsel), the Committee shall consider the factors related to the independence of such advisers, including with respect to each such adviser (or the adviser's employer): (a) the provision of other services to the Company by such adviser (or their employer); (b) the amount of fees received from the Company, as a percentage of the total revenue of such adviser (or their employer); (c) the policies and procedures of such adviser (or their employer) that are designed to prevent conflicts of interest; (d) any business or personal relationship of such adviser (or their employer) with a member of the Committee or an Executive Officer; (e) any shares of Company capital stock or other Company securities owned by such adviser (or their employer); and (f) such other factors as the Committee deems relevant or may be required from time to time by Commission Rules or Exchange Rules; provided that nothing herein requires that compensation advisers must be independent – rather that the enumerated independence factors be considered before selecting or otherwise receiving advice from such an adviser.

The Committee will have the sole authority to approve the fees and other retention terms of such advisers. The Company will provide for appropriate funding, as determined by the Committee, for:

- payment of compensation to any legal counsel, compensation and other consultants, accountants, experts and advisers retained by the Committee;
- ordinary administrative expenses of the Committee that are necessary and appropriate in carrying out its functions; and
- the commission of any necessary studies or surveys concerning the levels of executive compensation payable in the industry in which the Company is engaged and in other related industries or obtaining recommendations from outside/independent consultants concerning comparable compensation programs.

Irrespective of the retention of compensation and other consultants, legal counsel, accountants, experts and advisers to assist the Committee, the Committee shall exercise its own judgment in fulfillment of its functions.

V. MEETINGS, ACTIONS WITHOUT A MEETING AND STAFF

The Committee will meet at least twice per year or more frequently, as determined appropriate by the Committee. The Chair, in consultation with the other member(s) of the Committee will set the dates, times and places of such meetings. The Committee may also act by unanimous written consent in lieu of a meeting in accordance with the Company's Bylaws. Subject to the requirements of this Charter, applicable law, the Exchange Rules and the rules and regulations of the Commission, the Committee and the Chair may invite any director, executive or employee of the Company, or such other person, as it deems appropriate in order to carry out its responsibilities, to attend and participate (in a non-voting capacity) in all or a portion of any Committee meeting. The Committee may exclude from all or a portion of its meetings any person it deems appropriate in order to carry out its responsibilities. The Chair will designate a secretary for each meeting, who need not be a member of the Committee. The Secretary of the Company shall provide the Committee such staff support as it may require.

VI. MINUTES AND REPORTS

The Committee will maintain written minutes of its meetings and copies of its actions by written consent, and will cause such minutes and copies of written consents to be filed with the minutes of the meetings of the Board. The Chair will report to the Board from time to time with respect to the activities of the Committee, including on significant matters related to the Committee's responsibilities and the

Committee's deliberations and actions. The minutes of the Committee and actions by the unanimous written consent of the Committee members will be made available to the other members of the Board.

VII. DELEGATION OF AUTHORITY

The Committee may from time to time, as it deems appropriate and to the extent permitted under applicable law, the Exchange Rules and the Commission Rules, and the Company's Certificate of Incorporation and Bylaws, form and delegate authority to subcommittees.

VIII. COMPENSATION

Members of the Committee will receive such fees, if any, for their service as Committee members as may be determined by the Board, which may include additional compensation for the Chair. Such fees may include retainers or per meeting fees and will be paid in such form of consideration as is determined by the Board in accordance with applicable law, the Exchange Rules and the Commission Rules.

IX. REVIEW OF COMMITTEE COMPOSITION, PERFORMANCE AND CHARTER

The Committee will evaluate the Committee's composition and performance on an annual basis and submit a report to the Board. The Committee will also review and reassess the adequacy of this Charter periodically, and recommend to the Board any changes the Committee determines are appropriate.
