EMERYVILLE, Calif., May 09, 2024 (GLOBE NEWSWIRE) -- XOMA Corporation (NASDAQ: XOMA), the biotech royalty aggregator, reported its first quarter 2024 financial results and highlighted recent activities.

"We continue to build the foundation for accelerating value creation with a disciplined approach to capital deployment," stated Owen Hughes, Chief Executive Officer of XOMA. "In recent months, we've completed the acquisition of Kinnate, acquired economic interests in two commercial assets, as well as in two first-in-class Phase 3 assets, and initiated our first share buyback program on the heels of securing the VABYSMO® royalty-backed loan with Blue Owl. Lastly, and most importantly, the FDA approved OJEMBA™ (tovorafenib), Day One Biopharmaceuticals' type II RAF inhibitor for patients with relapsed or refractory pLGG harboring a BRAF fusion or rearrangement or BRAF V600 mutation, ushering in an important new treatment for children living with relapsed or refractory pLGG."

First Quarter 2024 Financial Results

XOMA recorded total revenues of \$1.5 million for the first quarter of 2024, which included a \$1.0 million milestone payment received from AVEO Oncology, as compared with \$0.4 million in the first quarter of 2023.

Research and development (R&D) expenses were \$33,000 and \$54,000, respectively, for the first quarters of 2024 and 2023. Upon closing the Kinnate merger in the second quarter of 2024, XOMA assumed operations of Kinnate's pipeline, as well as ongoing Phase 1 study, and will incur increased R&D costs until winddown activities are complete.

General and administrative ("G&A") expenses were \$8.5 million for the first quarter of 2024, compared to \$6.2 million for the first quarter of 2023. The increase of \$2.3 million was primarily due to a \$1.3 million increase in stock-based compensation and a \$0.7 million increase in consulting and legal expenses. The increase in stock-based compensation expenses was largely due to the appointment of Mr. Hughes as our full-time Chief Executive Officer in January 2024.

In the first quarter of 2024, G&A expenses included \$2.9 million in non-cash stock-based compensation expense, compared with \$1.6 million in the first quarter of 2023. The increase in stock-based compensation expenses was largely due to the PSU grant associated with the appointment of Mr. Hughes as our full-time Chief Executive Officer in January 2024 combined with PSUs granted in May 2023.

Interest expense in the first quarter of 2024 was \$3.6 million, representing interest related to the Blue Owl Loan established in December 2023.

The Company reported total other income, net, of \$2.0 million in the first quarter of 2024, as compared to total other income, net, of \$0.4 million in the corresponding period of 2023. The \$1.6 million increase reflects a \$1.3 million increase in investment income due to higher cash balances and higher market interest rates on our investments, as well as the change in the market price of Rezolute's common stock.

Net loss for the first quarter of 2024 was \$8.6 million, compared to a net loss of \$9.8 million for the first quarter of 2023.

On March 31, 2024, XOMA had cash and cash equivalents of \$142.4 million (including \$6.2 million in restricted cash). On December 31, 2023, XOMA had cash and cash equivalents of \$159.6 million (including \$6.3 million in restricted cash). During the first quarter of 2024, XOMA received \$9.8 million in cash from royalty and milestone payments and deployed \$8 million to acquire new royalty and milestone economic interests. Net cash used in operating activities during the quarter was \$4.9 million. On April 15, 2024, the Company paid a total of \$1.4 million in cash dividends on the 8.625% Series A Cumulative Perpetual Preferred Stock (Nasdaq: XOMAP) and the 8.375% Series B Cumulative Perpetual Preferred Stock (Nasdaq: XOMAO).

Certain statements contained in this press release are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, including statements regarding the timing and amount of potential commercial payments to XOMA and other developments related to VABYSMO® (faricimabsvoa), OJEMDA™ (tovorafenib), XACIATO™ (clindamycin phosphate) vaginal gel 2%, IXINITY® [coagulation factor IX (recombinant)], DSUVIA® (sufentanil sublingual tablet), and arimoclomol; the potential occurrences of the events listed under "Anticipated 2024 Events of Note"; the anticipated timings of regulatory filings and approvals related to assets in XOMA's portfolio; and the potential of XOMA's portfolio of partnered programs and licensed

technologies generating substantial milestone and royalty proceeds over time. In some cases, you can identify such forward-looking statements by terminology such as "anticipate," "intend," "believe," "estimate," "plan," "seek," "project," "expect," "may," "will", "would," "could" or "should," the negative of these terms or similar expressions. These forward-looking statements are not a guarantee of XOMA's performance, and you should not place undue reliance on such statements. These statements are based on assumptions that may not prove accurate, and actual results could differ materially from those anticipated due to certain risks inherent in the biotechnology industry, including those related to the fact that our product candidates subject to out-license agreements are still being developed, and our licensees may require substantial funds to continue development which may not be available; we do not know whether there will be, or will continue to be, a viable market for the products in which we have an ownership or royalty interest; if the therapeutic product candidates to which we have a royalty interest do not receive regulatory approval, our thirdparty licensees will not be able to market them; and the impact to the global economy as a result of the COVID-19 pandemic. Other potential risks to XOMA meeting these expectations are described in more detail in XOMA's most recent filing on Form 10-Q and in other filings with the Securities and Exchange Commission. Consider such risks carefully when considering XOMA's prospects. Any forward-looking statement in this press release represents XOMA's beliefs and assumptions only as of the date of this press release and should not be relied upon as representing its views as of any subsequent date.
