

Forward-Looking Statements

Certain statements in this presentation may constitute "forward-looking statements" within the meaning of the federal securities laws, including, but not limited to, our expectations for future financial performance, business strategies or expectations for the business of Landsea Homes. These statements constitute projections, forecasts and forward-looking statements, and are not guarantees of performance. Landsea Homes cautions that forward-looking statements are subject to numerous assumptions, risks and uncertainties, which change over time. Words such as "may," "can," "should," "will," "estimate," "plan," "project," "forecast," "intend," "expect," "anticipate," "believe," "seek," "target," "look," or similar expressions may identify forward-looking statements. Specifically, forward-looking statements may include statements relating to the completion or benefits of the proposed transaction with Antares Homes (the "Acquisition"); the future financial performance of Landsea Homes; changes in the market for Landsea Homes' products and services; and other expansion plans and opportunities.

These forward-looking statements are based on information available as of the date of this presentation and our management's current expectations, forecasts and assumptions, and involve a number of judgments, risks and uncertainties that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements.

These risks and uncertainties include, but are not limited to, the risk factors described by Landsea Homes in its filings with the Securities and Exchange Commission ("SEC"). These risk factors and those identified elsewhere in this presentation, among others, could cause actual results to differ materially from historical performance and include, but are not limited to: the ability to close the Acquisition on the anticipated timeline, or at all; the ability to recognize the anticipated benefits of the Acquisition, which may be affected by, among other things, competition, the ability to integrate the acquired business and the ability of the acquired business to grow and manage growth profitably; costs related to the Acquisition; the ability to maintain the listing of Landsea Homes' securities on Nasdaq; the outcome of any legal proceedings that may be instituted against the Company; changes in applicable laws or regulations; the inability to launch new Landsea Homes products or services or to profitably expand into new markets; the possibility that the Company may be adversely affected by other economic, business, and/or competitive factors; and other risks and uncertainties indicated in Landsea Homes' SEC reports or documents filed or to be filed with the SEC by Landsea Homes.

Accordingly, forward-looking statements should not be relied upon as representing our views as of any subsequent date, and you should not place undue reliance on these forward-looking statements in deciding whether or not to invest in our securities. Landsea Homes does not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

Geographic Footprint

Rationale for Acquisition of Antares Homes

Market Expansion and Increased Geographic Diversification

- Expansion of our geographic footprint into key market, following the strategic relocation of Landsea's headquarters to Dallas / Ft. Worth
- Continuation of market expansion strategy through M&A, following entry into Florida and Denver in 2021 and 2023, respectively
- Dallas / Ft. Worth is an attractive, high-growth market, benefiting from net migration, robust job growth and housing undersupply
- Opportunity to expand Landsea's High Performance Homes within Texas market

Aligns With Our Objective Of Enhancing Operating Scale

- ~13,800^(1,2) combined lots owned and controlled as of 9/30/2023 in supply-constrained markets
- ~2,600⁽¹⁾ combined closings for the last twelve months ended 9/30/2023
- ~\$1.4 billion⁽¹⁾ combined revenue for the last twelve months ended 9/30/2023

Enhanced Management and Platform

- The Antares management team has deep homebuilding experience working for both public and private homebuilders
- Deep relationships in the Dallas / Ft. Worth market with proven capabilities in land acquisition, entitlement and development
- Strong cultural fit

Compelling Financial Merits

- Expected to be accretive to growth profile through capital deployment into attractive assets in Dallas / Ft. Worth market
- Supports Landsea's transition towards asset-light strategy, with ~80% of Antares' lots controlled through options contracts and other arrangements
- Expected to be accretive to earnings and return on equity in 2024 and beyond
- Modest short-term increase to leverage with path to deleveraging back to our stated policies

Dallas / Ft. Worth is an Important Growth Market

- Dallas / Ft. Worth metropolitan statistical area ("MSA") is the 4th largest MSA and largest housing market in the U.S.
- The Dallas housing market has remained strong, as inventory remains limited, economic growth remains steady and urban development continues
- Ft. Worth continues to experience some of the highest population growth rates in the country.
- Significant opportunity to enhance scale organically and inorganically, with the top 10 builders accounting for only 56% of the market (vs. 73% avg. share in the top 50 MSAs in the U.S.)⁽⁴⁾
