Fred Couples to Host Masters Special on SiriusXM

1992 Masters Champion and World Golf Hall of Fame member hosts special edition of "The Fred Couples Show" live tomorrow, April 5

NEW YORK, April 4, 2016 /PRNewswire/ -- World Golf Hall of Fame member and 1992 Masters Champion Fred Couples will host a live Masters preview show on SiriusXM tomorrow, April 5 (6:00-8:00 pm ET/3:00-5:00 pm PT).

The special edition of *The Fred Couples Show* will feature Couples and co-host George Downing previewing this year's Masters Tournament and its competitors. Couples announced earlier today that he will not compete in this year's Tournament because of ongoing back problems. The show will air live nationwide on SiriusXM PGA TOUR Radio (Sirius channel 208, XM channel 92 on satellite radios and on the SiriusXM app).

Couples will share some of his favorite memories from Augusta National, where he has had extraordinary success. He won the Masters by two strokes in 1992, has recorded eleven top 10 finishes in his career there, and in recent years continued to play his way onto the leaderboard among players much younger than him. Remarkably, since his 50th birthday Couples has finished in the top 20 at the Masters five times, including a sixth place finish in 2010.

In addition to discussing this year's tournament Couples, a die-hard sports fan, will talk with his audience about several of the headline topics across the sports world – the start of MLB season, the just concluded NCAA Tournament, NBA and more.

"Fred has an exceptional history at Augusta and a special perspective on the Tournament. His show is a terrific addition to our Masters week coverage," said Scott Greenstein, SiriusXM's President and Chief Content Officer. "We're pleased and grateful to have him sharing that, along with his passion for all sports, with our listeners this week."

One of the game's most popular players, Couples' resume includes 15 PGA TOUR wins. A fixture for the United States in international team competitions, he played on five Ryder Cup teams and four Presidents Cup teams, and captained the winning Presidents Cup teams in 2009, 2011 and 2013. He has 11 victories on the Champions Tour since joining that circuit in 2010, and he was inducted into the World Golf Hall of Fame in 2013.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; consumer protection laws and their enforcement; the unfavorable outcome of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; harmful interference to our service from new and existing wireless operations; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other

holders of our common stock; and impairment of our business by third-party intellectual property rights. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2015, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
