Howard Stern to Dedicate His SiriusXM Channel to His Best Celebrity Interviews of 2017

"Howard 100: The Interviews" will showcase top entertainers and newsmakers including Miley Cyrus, Kevin Hart, Scarlett Johansson, David Letterman, Jerry Seinfeld, and more

Stern's second SiriusXM channel Howard 101 will feature his best non-interview moments of 2017

NEW YORK, Dec. 13, 2017 /PRNewswire/ -- Howard Stern and SiriusXM announced today that his exclusive SiriusXM channel, Howard 100, will turn "all interviews, all the time," celebrating his best conversations of the year. *Howard 100: The Interviews* will kick off at midnight on December 18th and run through New Year's Day.

Known for his best-in-career insightful, provocative, and deeply engaging interviews, *The New York Times* has called Stern "one of the most deft and engrossing celebrity interviewers in the business and a sought-after stop for stars selling a movie or setting the record straight."

Throughout 2017, Stern spoke at length with some of the biggest musicians, actors, comedians, and newsmakers of the year, getting them to share stories they wouldn't tell to anyone else. Now, for the first time, Stern's channel will be dedicated purely to these interviews, including **Miley Cyrus, Kevin Hart, Scarlett Johansson, David Letterman, Adam Levine, Robert Plant, Adam Sandler, Jerry Seinfeld, Sarah Silverman, Jon Stewart**, and more, as well as news figures ranging from **Rachel Maddow** to **Robert O'Neill**, the Navy Seal credited with killing Osama Bin Laden.

Howard Stern's second SiriusXM channel, Howard 101, will also be dedicated to the show's greatest highlights from the year. *Howard 101: Everything Else* will feature his top comedic moments with his colorful staff, unusual "Wack Pack" superfans, prank phone calls, characters, impersonations and stunts, as Stern continues to break new ground in comedy and satire.

SiriusXM subscribers with streaming access can also listen to SiriusXM's 200+ channels at home on a wide variety of connected devices including smart TVs, Amazon Alexa devices, Apple TV, Sony PlayStation, Sonos speakers and more. Go to

SiriusXM www.SiriusXM.com/AtHome to learn more.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock;

impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
