VSE Corporation Receives ISO 9001:2015 Quality Management Certification

ALEXANDRIA, Va.--(BUSINESS WIRE)-- VSE Corporation's (NASDAQ: VSEC) Quality Management System (QMS) was recommended for approval by Lloyd's Register Quality Assurance (LRQA) to the new International Organization for Standardization (ISO) 9001:2015 certification for Quality Management Systems.

ISO 9001:2015 requires VSE Corporation to regularly review and improve its systems and processes, document key business procedures, communicate and train staff in the entire contract life cycle from business development to project start up through closure, assure conformance to statutory and regulatory requirements, and aim to enhance customer satisfaction through the effective application of the quality management system. VSE has maintained a registered QMS since January 1999.

"Maintaining our QMS at the current ISO 9001 standard demonstrates our long-term and continuous commitment to maintain the highest level of customer satisfaction and performance," said Maurice "Mo" Gauthier, VSE CEO. "Our registered QMS allows us to continue to add value while meeting and exceeding our customers ever changing needs, expectations, and requirements."
