# Equinix To Present at the Goldman Sachs Technology and Internet Conference 2012

REDWOOD CITY, Calif.--(BUSINESS WIRE)-- [Equinix, Inc.](http://www.equinix.com) (Nasdaq: EQIX), a provider of global data center services, today announced that the company will present at the Goldman Sachs Technology and Internet Conference 2012 held February 14 – 16, 2012, in San Francisco, Calif.

Keith Taylor, the chief financial officer at Equinix, will present at the conference on Thursday, February 16, 2012, at 10:20 a.m. PST (1:20 p.m. EST). A live webcast of the presentation will be made available on the Investor Relations section of the Equinix website at [www.equinix.com/investors](http://www.equinix.com/investors).

## About Equinix

Equinix, Inc. (Nasdaq: EQIX) connects businesses with partners and customers around the world through a global platform of high performance data centers, containing dynamic ecosystems and the broadest choice of networks. Platform Equinix connects more than 4,000 enterprises, cloud, digital content and financial companies including more than 680 network service providers to help them grow their businesses, improve application performance and protect their vital digital assets. Equinix operates in 38 strategic markets across the Americas, EMEA and Asia-Pacific and continually invests in expanding its platform to power customer growth. <http://www.equinix.com>.

## Forward Looking Statements

*This press release contains forward-looking statements that involve risks and uncertainties. Actual results may differ materially from expectations discussed in such forward-looking statements. Factors that might cause such differences include, but are not limited to, the challenges of acquiring, operating and constructing IBX centers and developing, deploying and delivering Equinix services; unanticipated costs or difficulties relating to the integration of companies we have acquired or will acquire into Equinix; a failure to receive significant revenue from customers in recently built out or acquired data centers; failure to complete any financing arrangements contemplated from time to time; competition from existing and new competitors; the ability to generate sufficient cash flow or otherwise obtain funds to repay new or outstanding indebtedness; the loss or decline in business from our key customers; and other risks described from time to time in Equinix's filings with the Securities and Exchange Commission. In particular, see Equinix's recent quarterly and annual reports filed with the Securities and Exchange Commission, copies of which are available upon request from Equinix. Equinix does not assume any obligation to update the forward-looking information contained in this press release.*
