Equinix Declares its First Quarterly Dividend on Common Stock

REDWOOD CITY, Calif., Feb. 19, 2015 /PRNewswire/ -- Equinix, Inc. (Nasdaq: EQIX), a global interconnection and data center company, today announced that its board of directors has declared a quarterly cash dividend of \$1.69 per share on common stock. The quarterly common stock dividend will be paid on March 25, 2015, to shareholders of record on March 11, 2015.

"We are very pleased to announce Equinix's first quarterly dividend distribution," said Steve Smith, president and CEO of Equinix. "As we are now operating as a REIT, we will continue to balance profitable growth with dividend distributions to create meaningful long term value for our investors."

About Equinix

Forward Looking Statements

This press release contains forward-looking statements that involve risks and uncertainties. Actual results may differ materially from expectations discussed in such forward-looking statements. Factors that might cause such differences include, but are not limited to, the challenges of acquiring, operating and constructing IBX centers and developing, deploying and delivering Equinix services; unanticipated costs or difficulties relating to the integration of companies we have acquired or will acquire into Equinix; a failure to receive significant revenue from customers in recently built out or acquired data centers; failure to complete any financing arrangements contemplated from time to time; competition from existing and new competitors; the ability to generate sufficient cash flow or otherwise obtain funds to repay new or outstanding indebtedness; the loss or decline in business from our key customers; and other risks described from time to time in Equinix's filings with the Securities and Exchange Commission. In particular, see Equinix's recent quarterly and annual reports filed with the Securities and Exchange Commission, copies of which are available upon request from Equinix. Equinix does not assume any obligation to update the forward-looking information contained in this press release.
