Vestis Receives 2025 Supplier Legacy Award from Premier, Inc.

Award recognizes suppliers that provide exceptional service, value, and commitment to Premier's members

ATLANTA--(BUSINESS WIRE)-- Vestis Corporation (NYSE: VSTS) ("Vestis" or the "Company"), a leading provider of uniforms and workplace supplies, announced today that it has been recognized as a recipient of the 2025 Supplier Legacy Award from Premier, Inc., a leading technology-driven healthcare performance improvement company.

One of 14 suppliers to receive the award this year, Vestis was recognized for its long-standing support of Premier members through exceptional local customer service and engagement, value creation through clinical excellence, and a commitment to lowering costs. Supplier Legacy Award winners are selected by Premier member committees and have a tenure of more than three years as Premier-contracted suppliers.

"Our teammates are our greatest asset, and this award is a reflection of their hard work to deliver for our customers each and every day," said Vestis President and Chief Executive Officer Jim Barber. "We are focused on building a culture of trust, and I am proud that Vestis has been recognized by Premier as one of only a handful of trusted collaborators that deliver best-in-class service and value to its members across the country."

"Vestis supports Premier members by offering products and services that help improve costs, quality, and operations—and deliver overall value," said Bruce Radcliff, Senior Vice President of Supply Chain at Premier. "We're honored to recognize Vestis as a Supplier Legacy Award recipient."

The Supplier Legacy Award recipients were honored during Premier's annual Breakthroughs Conference & Exhibition in July.
