## MaxLinear Announces New Employee Inducement Grants

**Carlsbad, Calif. – November 14, 2024** – MaxLinear, Inc. (Nasdaq: MXL) (“MaxLinear”), a leading provider of RF, analog, digital and mixed-signal integrated circuits, today announced that on November 12, 2024, the Compensation Committee of MaxLinear’s Board of Directors approved the grant of restricted stock units (“RSUs”) covering an aggregate of 114,366 shares of common stock to 19 newly hired non-executive employees in connection with the commencement of their employment with MaxLinear, pursuant to MaxLinear’s 2024 Inducement Equity Incentive Plan (“Inducement Plan”) and related forms of agreements. The RSUs were granted as material inducements to these employees entering into employment with MaxLinear in accordance with Nasdaq Listing Rule 5635(c)(4).

With respect to 114,366 RSUs, each will vest over a four-year period, with 25% of the shares subject to the award vesting on November 20, 2025 and thereafter an additional 25% of the shares vesting on each succeeding November 20, such that the award will be fully vested on November 20, 2028, subject to such employee’s continued service with MaxLinear on such vesting dates.

Each RSU is subject to the terms and conditions of the Inducement Plan and the terms and conditions of an RSU agreement covering the grant.
