

Company Overview

Better Choice Company Inc. is a rapidly growing animal health and wellness company committed to leading the industry shift toward pet products and services that help dogs and cats live healthier, happier and longer lives. We take an alternative, nutrition-based approach to animal health relative to conventional dog and cat food offerings and position our portfolio of brands to benefit from the mainstream trends of growing pet humanization and consumer focus on health and wellness. We have a demonstrated, multi-decade track record of success selling trusted animal health and wellness products and leverage our established digital footprint to provide pet parents with the knowledge to make informed decisions about their pet's health. We sell the majority of our dog food, cat food and treats under the Halo and TruDog brands, which are focused, respectively, on providing sustainably sourced kibble and canned food derived from real whole meat, and minimally processed raw-diet dog food and treats.
