Ethan Allen Earns 9th Consecutive Great Place to Work® Mexico Certification

DANBURY, Conn., Oct. 09, 2026 (GLOBE NEWSWIRE) -- Ethan Allen's upholstery operations in Silao, Guanajuato, Mexico, have earned Great Place to Work® Mexico certification for the ninth consecutive year. Based on both independent analysis and surveys of employees, the certification honors organizations operating in Mexico that provide a great workplace experience.

"Our Silao workshops are an important piece of our vertically integrated business, and our Silao associates provide exceptional craftsmanship. We take pride in having earned this certification for so many years because it shines a spotlight on Ethan Allen's collaborative culture, in which associates can feel valued, included and empowered to do their best work, every day," stated Farooq Kathwari, Ethan Allen's Chairman, President and CEO.

Associates of Ethan Allen in Silao have access to on-site health services and medical staff. The company also provides both low-cost meals and daily transportation to and from work.

Earlier this year, for the seventh year in a row, the Silao upholstery plant earned an "Empresa Socialmente Responsable" (Environmentally and Socially Responsible) designation from the Mexican Center for Corporate Philanthropy and the Alliance for Corporate Social Responsibility for its ongoing commitment to social responsibility and sustainability.
