If interested in participating or learning more about the IDEAS conferences, please contact Steven Hooser at (214) 872-2710 or [shooser@threepa.com](mailto:shooser@threepa.com).

## **About Profire Energy, Inc.**

Profire Energy is a technology company providing solutions that enhance the efficiency, safety, and reliability of industrial combustion appliances while mitigating potential environmental impacts related to the operation of these devices. It is primarily focused in the upstream, midstream, and downstream transmission segments of the oil and gas industry; however, the Company has commenced identifying applications in other industries where their solutions can likely add value. Profire specializes in the engineering and design of burner and combustion management systems and solutions used on a variety of natural and forced draft applications. Its products and services are sold primarily throughout North America. It has an experienced team of sales and service professionals that are strategically positioned across the United States and Canada. Profire has offices in Lindon, Utah; Victoria, Texas; Homer, Pennsylvania; Greeley, Colorado; Millersburg, Ohio; and Acheson, Alberta, Canada. For additional information, visit [www.profireenergy.com](http://www.profireenergy.com).
