Capstone Turbine (Nasdaq:CPST) to Present at the 13th Annual LD Micro Main Event Conference

Live Virtual Presentation on Monday, December 14, 2020, at 1:20 pm ET

VAN NUYS, CA / ACCESSWIRE / December 7, 2020 /Capstone Turbine Corporation (www.capstoneturbine.com) (NASDAQ:CPST), the world's leading clean technology manufacturer of microturbine energy systems, announced today that it will be presenting virtually at the upcoming 13th Annual LD Micro Main Event Conference on Monday, December 14th at 1:20 pm ET (10:20 am PT). Darren Jamison, Capstone Turbine's President & Chief Executive Officer, will be presenting to a live virtual audience and answering questions from investors.

"I look forward to discussing recent developments in our business, including our progress against our stated goal of improving Adjusted EBITDA by ten million dollars year-over-year, despite the ongoing adverse impacts caused by the global pandemic, as well as our hydrogen product development program and the potential positive impacts of the new Biden administration on our future green energy business," said Mr. Jamison.

Investors and other individuals may register here: ve.mysequire.com/

The Main Event will feature a new and unique format, with companies presenting for 10 minutes, followed by 10 minutes of Q&A by a panel of investors and analysts.

"The time has finally come to do something different in the virtual conference world. Let's see if we can pull off something that can be enjoyed by both executives and investors alike," stated Chris Lahiji, Founder of LD, now a wholly owned subsidiary of SRAX, Inc.

The Main Event will take place on December 14th and 15th, exclusively on the Sequire Virtual Events platform.

Cautionary Note Regarding Forward-Looking Statements

This release and the Company's presentation and responses to questions at the LD Micro Main Event Conference may contain forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995, including statements regarding expectations, beliefs, plans, intentions and strategies of the Company. The Company tries to identify any such forward-looking statements by using words such as "expect," "anticipate," "believe," "could," "should," "estimate," "intend," "may," "will," "plan," "goal" and similar terms and phrases, but such words, terms and phrases are not the exclusive means of identifying such statements. Actual results, performance and achievements could differ materially from those expressed in, or implied by, these forward-looking statements due to a variety of risks, uncertainties and other factors, including, but not limited to, the following: the ongoing effects of the COVID-19 pandemic; the availability of credit and compliance with the

agreements governing the Company's indebtedness; the Company's ability to develop new products and enhance existing products; intense competition; financial performance of the oil and natural gas industry and other general business, industry and economic conditions; the Company's ability to adequately protect its intellectual property rights; and the impact of pending or threatened litigation. For a detailed discussion of factors that could affect the Company's future operating results, please see the Company's filings with the Securities and Exchange Commission, including the disclosures under "Risk Factors" in those filings. Except as expressly required by the federal securities laws, the Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, changed circumstances or future events or for any other reason.
