## About Babylon

Babylon is a world leading, digital-first, value-based care company whose mission is to make high-quality healthcare accessible and affordable for everyone on Earth.

Babylon is re-engineering healthcare, shifting the focus from sick care to preventative healthcare so that patients experience better health, and reduced costs. This is achieved by leveraging a highly scalable, digital-first platform combined with high quality, virtual clinical operations to provide integrated, personalized healthcare. We endeavor to support patients' health needs, all from their devices, with the aim to promote longer and healthier lives. When sick, Babylon provides assistance to navigate the health system, connecting patients digitally to the right clinician 24/7, at no additional cost.

Founded in 2013, we have since delivered millions of clinical consultations and AI interactions, with c.2m clinical consultations and c.3.9m AI interactions in 2020 alone. We work with governments, health providers and insurers across the globe, and support healthcare facilities from small local practices to large hospitals.
