TTM Technologies, Inc. Announces Upcoming Conference Participation

SANTA ANA, Calif., July 29, 2021 (GLOBE NEWSWIRE) -- TTM Technologies, Inc. (NASDAQ:TTMI), a leading global printed circuit board (PCB) and radio frequency ("RF") components and assemblies manufacturer, today announced that members of its management team will attend the following virtual investor conferences:

- The Jefferies Industrials Conference on August 3th with a presentation at 3:00 pm Eastern Time,
- The Needham Industrial Technologies 1x1 Conference on August 9th; and
- The Jefferies Semiconductor, IT, Hardware and Communications Infrastructure Summit on August 31.

All presentations will be webcast live on the company's website, www.ttm.com, and a replay will be accessible for a limited time following the events.

About TTM

TTM Technologies, Inc. is a leading global printed circuit board manufacturer, focusing on quick-turn and technologically advanced PCBs and backplane assemblies, and a global designer and manufacturer of RF and microwave components and assemblies. TTM stands for time-to-market, representing how TTM's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market. Additional information can be found at www.ttm.com.
