The replay can also be viewed through the webinar webcast link above.

About Midwest Energy Emissions Corp. (ME₂C®)

Midwest Energy Emissions Corp. (OTCQB: MEEC) delivers patented and proprietary solutions to the global coal-power industry to remove power plant emissions, providing performance guarantees and leading-edge emissions services. ME₂C has developed patented technology and proprietary products that have been shown to achieve emissions removal at a significantly lower cost and with less operational impact than currently used methods, while maintaining and/or increasing unit output and preserving the marketability of fly-ash for beneficial use.
