Orkin Establishes Franchise in Uruguay

ATLANTA, April 3, 2014 /PRNewswire/ --[Rollins Inc.](#), a leading consumer services company (NYSE: ROL), announced today that the company, through its wholly-owned subsidiary Orkin, established a franchise in Montevideo, Uruguay.

Orkin Uruguay will offer commercial and residential pest control and termite services.

"We are proud to expand Orkin's services to Uruguay," said Tom Luczynski, Orkin group vice president of global development and franchising. "This is a great opportunity for Orkin to bring our science-based services to a new country and provide customers in Uruguay with Orkin's customized pest control approach."

The franchise owner, Horatio Rivera, will convert his existing pest control business to Orkin to take advantage of the strong Orkin brand.

Mr. Rivera will travel to Atlanta, Orkin's U.S. headquarters, for initial training at the company's award-winning training center in May.

About Orkin, LLC

Founded in 1901, Atlanta-based Orkin is an industry leader in essential pest control services and protection against termite damage, rodents and insects. The company operates more than 400 locations with almost 8,000 employees. Using a proprietary, three-step approach, Orkin provides customized services to approximately 1.7 million homeowners and businesses in the United States, Canada, Mexico, Europe, Central America, South America, the Middle East, the Caribbean, Asia, the Mediterranean and Africa. Orkin is committed to studying pest biology and applying scientifically proven methods. The company collaborates with the Centers for Disease Control and Prevention (CDC) and eight major universities to conduct research and help educate consumers and businesses on pest-related health threats.
