

Amesite Inc. Announces Partnership with K-12 Partner

ANN ARBOR, MI / ACCESSWIRE / November 21, 2019 Amesite, Inc., an artificial intelligence software company providing online learning products, announced today its partnership with one of the largest counties in Michigan, the Washtenaw Intermediate School District (WISD). With an enrollment of over 46,000 students and over 80 schools, WISD serves nine public school districts and the public school academies in the greater Ann Arbor region.

The partnership's work will focus on the Washtenaw Alliance for Virtual Education (WAVE) program, a free public high school program for students in the Washtenaw County school districts, which provides a flexible, student-centered, project-based approach to learning for students who need an alternative to the traditional high school model. The partnership is being supported by WISD and the Washtenaw Educational Options Consortium (WEOC).

WISD Superintendent Scott Menzel said, "The partnership with Amesite will provide cutting edge tools so our educators can focus their energy on providing our students with the exceptional educational experience they deserve. We are excited to partner with Amesite, a truly innovative tech company ­as dedicated to education as we are."

Amesite CEO, Dr. Ann Marie Sastry, said "We are thrilled to step into a partnership with WISD, a respected educational leader here in Michigan. Their strategic vision includes centering learning on the learner and using technology wisely. We are proud to partner with them - they are true innovators in the K-12 space."

Amesite's online learning solutions utilize artificial intelligence technologies, including machine learning and natural language processing, to deliver cost effective, cloud-based digital educational products, that greatly enhance and improve the learning experience of students. Amesite's online platform includes customized user messaging and tracking, as well as seamless integration of current events into traditional course materials, creating a more meaningful experience for both students and instructors alike.
