Amesite and Benedict College Launch Technology Upskilling Pilot Program to Learners Across Majors

Program Leverages Technology that Powers ChatGPT for AI-Supported Learning

DETROIT, March 02, 2023 (GLOBE NEWSWIRE) -- Amesite Inc. (NASDAQ: AMST), a leading artificial intelligence software company offering a cloud-based learning platform that delivers 99% learner retention for business and education markets, launched today its upskilling pilot with Benedict College. This marks the first offering of the [NAFEO-Amesite Alliance](#) to equip learners with the skills they need to succeed in the ever-changing tech landscape.

The Benedict College Pilot is powered by the Amesite platform which leverages the latest technological disruptor that powers [ChatGPT, GPT-3](#). The upskilling initiative will meet the technological upskilling needs of learners from all backgrounds, from studio art to biology to computer science.

"At Benedict, we offer an incredible range of majors and specializations. Every single student that we educate is going to need to be able to use technology wisely and effectively," said Dr. Roslyn Clark Artis, President of Benedict College. "We are pleased to be working with Amesite, who is bringing us leading technology to ensure our learners have the skills they need to succeed in their professions."

"We are thrilled to see that the NAFEO-Amesite Alliance is already standing up learning opportunities for HBCU learners. We are committed to making sure that our HBCUs have the resources and opportunities needed for their students to succeed professionally," said Lezli Baskerville, Esq., CEO of NAFEO.

"Benedict's commitment to their students is admirable, and Amesite is proud to be able to provide them with a scalable online infrastructure and technology upskilling content to enable them to deliver this learning with excellence. This pilot is another example of how we can deliver much-needed upskilling campus-wide, very efficiently," said Dr. Ann Marie Sastry, Founder and CEO of Amesite.

The public has also recently been invited to take advantage of a limited opportunity to experience a free ChatGPT course on the Amesite platform; registration is available [here](#).
