# **Amesite Announces Strategic Five-Year Partnership with Franciscan Missionaries of Our Lady University to Deliver Healthcare Training for Healthcare Professionals**

## **Franciscan Missionaries of Our Lady University is Sixth Contract Win Since Introducing No Setup-fee Plan**

DETROIT, May 07, 2024 (GLOBE NEWSWIRE) -- Amesite Inc. (NASDAQ: AMST), a leading artificial intelligence software company offering a cloud-based learning platform for business and education markets, announces a five-year (5) partnership with Franciscan Missionaries of Our Lady University to deliver healthcare training programs for working healthcare professionals in subjects ranging from leadership and management, quality improvement, healthcare finance, nursing continuing education (CNE), physical therapy continuing education, ethics in medicine and continuing medical education (CME).

"As we seek to expand our mission to educate healthcare professionals and form Franciscan servant leaders of all faiths we are honored to partner with Amesite," said Brian Rash, Provost & Vice President of Academic Affairs. "Providing the communities we serve access to dynamic, cutting-edge continuing education training built upon a Franciscan intellectual tradition framework is a strategic priority for FranU. Amesite's AI technology enables us to expand our impact as we provide value to the hard-working healthcare professionals we serve in our backyard and across the nation."

Brandon Owens, Amesite's Vice President of Sales, stated, "Franciscan Missionaries of Our Lady University is our sixth announced win since launching a no setup-fee offer on our AI-powered platform. We are delighted to partner with an institution that seeks to provide healthcare continuing educational programs to healthcare professionals and are confident our partnership with Franciscan Missionaries of Our Lady University will drive success for both organizations."

Dr. Ann Marie Sastry, CEO of Amesite, Inc., commented, "Healthcare is a sector with deep and broad needs in professional certification and upskilling and partnering with colleges continues to be a way for us to meet market needs across the country. Amesite is committed to supporting our growing number of customers as we expand professional educational programs, driving revenue and impact."

Established in 1923 by the Franciscan Missionaries of Our Lady, the School of Nursing began in conjunction with the establishment of Our Lady of the Lake Sanitarium in the

Capitol Lake area of downtown Baton Rouge, Louisiana. The School was an integral part of the new hospital's program of service to the community.

Located in Baton Rouge, Louisiana, Franciscan Missionaries of Our Lady University is a small, Catholic, not-for-profit institution with a healthcare emphasis. The University offers degrees in nursing, health sciences, humanities, behavioral sciences and natural sciences. The University is sponsored by the Franciscan Missionaries of Our Lady and is faithful to its mission grounded in Franciscan values. The University is a student-centered academic community committed to the pursuit of truth and common good and devoted to excellence in teaching and learning.
