Amesite Inc. (Nasdaq: AMST) Presenting at The Microcap Conference on January 29

CEO to Provide Update on Company's NurseMagic™ App

DETROIT, Jan. 29, 2025 (GLOBE NEWSWIRE) -- [Amesite, Inc.](#) (Nasdaq:AMST), a pioneering technology company specializing in the development and marketing of B2C and B2B AI-driven solutions, is pleased to announce its participation in [The Microcap Conference 2025](#), the premier event for growth-focused companies and investors. The conference is taking place January 28-30, 2025, at the Borgata Hotel Spa & Casino in Atlantic City, NJ.

Amesite's CEO, Dr. Ann Marie Sastry, will deliver a corporate presentation at 2:30 PM ET today, January 29, and engage in one-on-one meetings with institutional and individual investors to discuss the company's recent developments with its [NurseMagic™](#) app, growth strategy, and monetization in B2C and B2B pathways.

NurseMagic™ is an AI-powered mobile application designed to assist nursing professionals and home health care workers by streamlining various aspects of their daily tasks. Developed by Amesite Inc., the app offers a suite of tools aimed at enhancing efficiency, improving patient communication, and supporting career development.

About Amesite Inc.

Amesite Inc. (Nasdaq: AMST) is a pioneering technology company specializing in the development and marketing of B2C and B2B AI-driven solutions. Leveraging its proprietary AI infrastructure, Amesite offers cutting-edge applications that cater to both individual and professional needs. NurseMagic™, the company's mobile app for health and care professionals, streamlines creation of nursing notes and documentation tasks, enhances patient communication, and offers personalized guidance to nurses on patient care, medications, and handling challenging workplace situations.

Forward-Looking Statements

This communication contains forward-looking statements (including within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended) concerning the Company, the Company's planned online machine learning platform, the Company's business plans, any future commercialization of the Company's online learning solutions, potential customers, business objectives and other matters. Forward-looking statements generally include statements that are predictive in nature and depend upon or refer to future events or conditions, and include words such as "may," "will," "should," "would," "expect," "plan," "believe," "intend," "look forward," and other similar expressions among others. Statements that are not historical facts are forward-looking statements. Forward-looking statements are based on current beliefs and assumptions that are subject to risks and uncertainties and are not guarantees of future performance. Actual results could differ materially from those contained in any

forward-looking statement. Risks facing the Company and its planned platform are set forth in the Company's filings with the SEC. Except as required by applicable law, the Company undertakes no obligation to revise or update any forward-looking statement, or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.
