Crown Crafts, Inc. Announces Dismissal Of Class Action Lawsuit

GONZALES, La., Sept. 9, 2013 /PRNewswire/ -- Crown Crafts, Inc. (the "Company") (NASDAQ-CM: CRWS) today announced that a class action lawsuit against the Company and its wholly-owned subsidiary, Crown Crafts Infant Products, Inc. ("CCIP"), has been dismissed.

The lawsuit, filed in March 2013, alleged that CCIP's crib bumper products put children at risk of suffocation or crib death and that the Company and CCIP concealed and failed to disclose these purported risks through allegedly false and misleading advertising and product packaging. The complaint did not allege that any child had actually been harmed by these products. The complaint alleged violations of various consumer protection laws in California. On September 6, 2013, the federal court in Los Angeles, California dismissed the case without prejudice in its entirety.
