About Bowhead Specialty Holdings Inc.

Bowhead Specialty is a specialty lines insurance group providing casualty, professional liability and healthcare liability insurance products. The team is composed of highly experienced and respected industry veterans with decades of individual, successful

underwriting and management experience. We provide “craft” underwriting solutions, which require deep underwriting and claims expertise in order to produce attractive financial results. In May 2024, we supplemented our “craft” solution with our “flow” underwriting operation, which is a streamlined, tech-enabled low touch form of underwriting, focused on small, niche and hard-to-place risks. Our policies are primarily written on a non-admitted, or excess and surplus lines (“E&S”) basis, which is free of rate and policy form restrictions, and provides the flexibility to rapidly adjust to emerging market opportunities.

We pride ourselves on the quality and experience of our people, who are committed to exceeding our partners’ expectations through excellent service and expertise. Our collaborative culture spans all functions of our business, which allows us to provide a consistent, positive experience for all of our partners.
