SG Blocks Announces New Shipping Container-Based Rental Units

Units Available to Rent for Key Events, Conferences and Destination Retail

NEW YORK, March 17, 2015 (GLOBE NEWSWIRE) --[SG Blocks](#) (OTCQB:SGBX), a premier innovator and designer of container-based structures, today announced it will be offering shipping container rental units. The expandable structures are ideal for use at conferences, inside or outside convention centers, to host events or to serve as popups to attract new retail clients.

"We are excited to introduce our latest product line: fully functional, customizable units available to ship to any location in the country," stated Paul Galvin, Chairman and CEO of SG Blocks. "We realized that there was a demand in the industry to lease such a product for a set amount of time and are here to satisfy the need with the most sustainable solution."

The units, which are best in ambient climates, are available for deployment with as little as two weeks' notice and SG Blocks requires a three-day minimum for rentals. For more information on the product line, please visit: www.sgblocks.com.

About SG Blocks: SG Blocks, Inc. (SGBX) is a premier innovator in advancing and promoting the use of code-engineered cargo shipping containers for safe and sustainable construction. The firm offers a product that exceeds many standard building code requirements, and also supports developers, architects, builders and owners in achieving greener construction, faster execution, and stronger buildings of higher value. It has four product lines: retail, commercial, military and residential. SG Blocks also has an exclusive 10-year collaboration and supply contract with ConGlobal Industries Inc., the largest shipping container depot operator in the United States.
