

SG Blocks in Collaborative Process With Enriched Data

SG Blocks and Enriched Data are in cooperation to implement a national ESG Real Estate Scoring Platform

JACKSONVILLE, Fla.--(BUSINESS WIRE)-- SG Blocks, Inc. (NASDAQ: SGBX) ("SG Blocks" or the "Company"), a leading developer, designer, and fabricator of modular structures, announced today that the Company is currently in the discovery and research phase with Enriched Data, described on its website as "a one stop solution for all things connected with Big Data in commercial real estate."

SG Blocks is currently in the collaboration stage with Enriched Data to implement a national ESG Real Estate Scoring Platform with the plans to apply the scoring to each of SGB Development Corp.'s properties. With this, SG Blocks intends to have the ability to score projects using algorithmic models which will provide an automated and/or certified ESG scores for SG Blocks.

"We are currently working on forming a customized partnership with Enriched Data, and we're very excited to harness the power of SG Blocks' ethos, which is centered strongly around ESG and sustainable real estate practices," Paul Galvin, Chairman and CEO explained. "We are looking forward to having trained ESG Auditors providing ESG Scores on SG Blocks built and to-be-built products. The foundation is there, it's about evolving our ESG practices and sharing that message in the best way that we can."

The Company will provide further updates as the two organizations work to finalize plans regarding how the ESG scoring platform will come to fruition.

About SG Blocks, Inc.

SG Blocks, Inc. is a leading developer, designer, and fabricator of modular structures, meeting the growing demand for safe and green construction. The firm offers a product that exceeds many standard building code requirements, and also supports developers, architects, builders and owners in achieving faster execution, greener construction, and buildings of higher value. The Company creates purpose built, pre-fabricated modules from wood, steel, and shipping containers into supreme structures. For more information, visit www.sgblocks.com.
