## Third Quarter 2018 Results

## GAAP Basis

Net income from continuing operations for the third quarter of 2018 was \$15.3 million, or \$0.36 per diluted share. Comparatively, net income from continuing operations for the third quarter of 2017 was \$19.7 million, or \$0.45 per diluted share.

## Adjusted Basis

Adjusted net income from continuing operations and related earnings per diluted share are non-GAAP financial measures. The schedules included in this press release reconcile these non-GAAP financial measures to the most directly comparable GAAP financial measures.

## **Commentary**

David Bruton Smith, the Company's Chief Executive Officer, noted, "Our EchoPark strategy to grow our pre-owned business continued according to plan in the third quarter of 2018. Revenues grew by nearly \$130 million, or 226%, compared to the prior year quarter and we anticipate this upward trajectory to continue into the fourth quarter of 2018 with the opening of two additional EchoPark locations. On October 8, 2018, we opened an EchoPark store in Charlotte, North Carolina, and we expect to open another EchoPark Store in Houston, Texas by the end of 2018. On the franchise side of the business, revenues declined 1.7% on a same store basis primarily due to the strong third quarter comparison in 2017 containing the rebound effects of Hurricane Harvey. Despite this headwind, the franchised dealerships increased total gross profit by 1.1% during the quarter with strong performances in used vehicles and fixed operations. We look forward to a robust selling environment in the fourth quarter."

Jeff Dyke, the Company's President, noted, "We continue to work with our manufacturer partners to improve our margins at the store level and to make facility investments that provide the appropriate return for all parties. I am pleased with the progress we are making but believe we have more opportunity for improvement with certain brands. As David mentioned, we are very excited about the performance of EchoPark and our expansion plans."

# <u>Dividend</u>

Sonic's Board of Directors approved a quarterly dividend of \$0.06 per share payable in cash for our stockholders of record on December 14, 2018. The dividend will be payable on January 15, 2019.
