Hercules Technology Growth Capital Announces its Twenty-Third Consecutive Quarterly Dividend of \$0.22 per Share

Twenty-Third Consecutive Quarterly Dividend Bringing Cumulative Distributions to \$6.25 per Share since IPO in June 2005

PALO ALTO, Calif.--(BUSINESS WIRE)-- Hercules Technology Growth Capital, Inc. (NASDAQ:HTGC), the leading specialty finance company devoted to addressing the capital needs of venture capital and private equity-backed technology-related companies, including clean technology, life sciences and lower middle market companies at all stages of development, today announced that its Board of Directors has declared a first quarter cash dividend of \$0.22 per share. The dividend will be payable on June 23, 2011, to shareholders of record as of May 13, 2011.

The determination of the tax attributes of the Company's distributions is made annually as of the end of the Company's fiscal year based upon its taxable income for the full year and distributions paid for the full year. Therefore, a determination made on a quarterly basis may not be representative of the actual tax attributes of its distributions for a full year.

About Hercules Technology Growth Capital, Inc.:

Hercules Technology Growth Capital, Inc. is a NASDAQ traded specialty finance firm providing customized loans to public and private technology-related companies, including clean technology, life science and lower middle market companies at all stages of development. Since its founding in 2003, Hercules has committed over \$2.2 billion in flexible financing solutions to over 160 companies, enabling these companies to maximize their equity by leveraging these assets. Hercules' strength comes from its deep understanding of credit and the industries it serves, allowing it to partner with venture capital and private equity companies for a less dilutive source of growth capital helping companies to bridge through their critical stages of growth. Hercules offers a full suite of growth capital products at all levels of the capital structure, ranging from \$500,000 to \$30 million, lines of credit to term loans. The company is headquartered in Palo Alto, California and has additional offices in Massachusetts and Colorado. Providing capital to publicly-traded or privately-held companies backed by leading venture capital and private equity firms involves a high degree of credit risk and may result in potential losses of capital.
