Hercules Extends \$50 Million Share Repurchase Program

- *Hercules Purchased Approximately \$1 Million of its Common Stock During Previous Program Period*
- *The \$50 Million Repurchase Program Effective until February 23, 2016*

PALO ALTO, Calif.--(BUSINESS WIRE)-- [Hercules Technology Growth Capital, Inc.](#) (NYSE: HTGC) ("Hercules"), the leading specialty finance company focused on providing senior secured loans to high-growth venture capital-backed companies in technology-related industries, including technology, biotechnology, life sciences, and energy & renewable technology, today announced that its Board of Directors has approved a \$50 million open market share repurchase program. This program replaces a \$50 million repurchase program which expired August 24, 2015.

Under the program authorized by its Board of Directors, Hercules may repurchase shares of its common stock in the open market, including block purchases, at prices that may be above or below the net asset value as reported in its then most recently published financial statements. Hercules anticipates that the manner, timing, and amount of any share purchases will be determined by Hercules management based upon the evaluation of market conditions, stock price, and additional factors in accordance with regulatory requirements.

Hercules expects that the share repurchase program will be in effect until February 23, 2016, or until the approved dollar amount has been used to repurchase shares. Pursuant to the Investment Company Act of 1940, as amended, Hercules is required to notify shareholders when such a program is initiated or implemented. The repurchase program does not require Hercules to acquire any specific number of shares and may be extended, modified, or discontinued at any time.
