Clear Channel Outdoor Holdings, Inc. Extends Existing Shareholder Rights Plan

SAN ANTONIO, May 14, 2021 /PRNewswire/ -- Clear Channel Outdoor Holdings, Inc. (NYSE: CCO) (the "Company") announced today that its board of directors (the "Board") unanimously approved an amendment to the Company's existing shareholder rights plan (the "Rights Plan") pursuant to which the expiration date has been extended from today to April 15, 2022. All other terms and conditions of the Rights Plan adopted in May 2020 remain unchanged.

The Board approved the 11-month extension to the Rights Plan to protect the interests of all Company shareholders. In approving the extension, the Board considered the heightened potential for one or more persons or groups to gain undue influence over or control of the Company through open market accumulation, seek to acquire control of the Company without paying an appropriate control premium, or employ other coercive tactics in light of, among other things, the substantial ongoing impact of the COVID-19 pandemic on the Company's global business, the Company's stock price, which is trading below pre-pandemic prices, and the continued accumulation of the Company's shares by various non-passive parties.

The Rights Plan is designed to allow the Company's shareholders to realize the expected benefits of the long-term value of their investment by reducing the likelihood that any person or group would gain control of the Company through open market accumulations without appropriately compensating all shareholders for such control or providing the Board sufficient time to make informed judgments. The Rights Plan is not intended to prevent or interfere with any action with respect to the Company that the Board determines to be in the best interests of shareholders.

The Board may consider an earlier termination of the rights plan if market and other conditions warrant.

Additional details regarding the amendment to the Rights Plan will be contained in a Form 8-K to be filed by the Company with the U.S. Securities and Exchange Commission.
