

Company Overview

CV Sciences, Inc. (OTCQB:CVSI) is a consumer wellness company specializing in nutraceuticals and plant-based foods. The Company's hemp extracts and other proven, science-backed, natural ingredients and products are sold through a range of sales channels from B2B to B2C. The Company's PlusCBD™ branded products are sold at select retail locations throughout the U.S. and are the top-selling brands of hemp extracts in the natural products market, according to SPINS, the leading provider of syndicated data and insights for the natural, organic and specialty products industry. With a commitment to science, PlusCBD™ product benefits in healthy people are supported by human clinical research data, in addition to three published clinical case studies available on PubMed.gov. PlusCBD™ was the first hemp extract supplement brand to invest in the scientific evidence necessary to receive self-affirmed Generally Recognized as Safe (GRAS) status. The Company's Cultured Foods™ brand provides a variety of 100% plant-based food products. Committed to crafting nutritious and flavorful alternatives, Cultured Foods™ caters to individuals seeking vegan, gluten-free, or flexitarian options for a wholesome and satisfying culinary experience. In addition, the Company owns Elevated Softgels, a leading manufacturer of encapsulated softgels and tinctures for the supplement and nutrition industry. CV Sciences, Inc. has primary offices and facilities in San Diego, California; Grand Junction, Colorado; and Warsaw, Poland. The Company also operates a drug development program focused on developing and commercializing CBD-based novel therapeutics.
