AMC Theatres to Present an Exclusive Live Broadcast of Epic Games' 2026 Rocket League World Championship Finals at 50 Locations Nationwide

For the first time ever, fans can watch the world's best Rocket League teams compete for a \$1.2 million prize pool on the big screen at select AMC locations on September 20

Attendees will receive a commemorative Rocket League ticket with a code to redeem in-game cosmetics

Tickets are on sale now for the approximately eight-hour live event

LEAWOOD, Kan.--(BUSINESS WIRE)-- AMC Theatres® (NYSE: AMC), the largest theatrical exhibitor in the United States and the world, today announced an AMC-exclusive live broadcast of the 2026 Rocket League World Championship Finals at 50 AMC theatres nationwide.

On Sunday, September 20, fans at 50 select AMC locations across the United States will be able to watch the championship Finals streamed live from Dickies Arena in Fort Worth, Texas, where the world's top Rocket League teams compete for a share of the tournament's \$1.2 million prize pool and the opportunity to be crowned Rocket League World Champions. This final day of competition will determine the 2026 World Champions in one of esports' most popular and fast-paced games.

Tickets are on sale now at participating AMC locations – [2026 Rocket League World Championship at AMC Theatres](#). The event is expected to screen for approximately eight hours and will conclude with the crowning of the 2026 Rocket League World Champions. In addition to experiencing the event on the big screen, all attendees will receive a commemorative Rocket League ticket that has codes to redeem drops you would earn by watching on Twitch.

"Such a big part of the magic of movie theatres is their ability to bring people together for unforgettable shared experiences, and a live event like the Rocket League World Championship is a great example of that," said Ellen Copaken, SVP, Business Development, AMC Theatres. "We're excited to give fans the opportunity to watch esports' biggest stage unfold live on massive screens, surrounded by fellow Rocket League fans."
