Intel's 2014 Back to School Buying Guide Available on Business Wire's Website

Intel's 2014 Back to School Buying Guide is available on Business Wire's website.

Intel's 2014 Back to School Buying Guide.

Go to the head of the class this fall with the latest and greatest

technology devices powered by Intel. Whether students are using a tablet or 2 in 1 device, the lightning-fast performance, responsiveness, mobility and versatility will help them ace their assignments and won't leave them with tech envy of anyone else's new gadgets for school.

About Intel

Intel (NASDAQ:INTC) is a world leader in computing innovation. The company designs and builds the essential technologies that serve as the foundation for the world's computing devices. As a leader in corporate responsibility and sustainability, Intel also manufactures the world's first commercially available "conflict-free" microprocessors. Additional information about Intel is available at newsroom.intel.com and blogs.intel.com and about Intel's conflict-free efforts at conflictfree.intel.com.
