Photo of Intel Celebrating 50th Anniversary of Moore's Law Available on Business Wire's Website and AP PhotoExpress

A photo is available on Business Wire's Website and AP PhotoExpress of Intel's 50th Anniversary of Moore's Law Celebration.

On the evening of May 11 in a rare opportunity, former and current Intel chairmen and CEOs gathered at an event in San Francisco to celebrate the 50th anniversary of Moore's Law. Intel Co-Founder Dr. Gordon Moore, Intel Chairman Andy Bryant, retired Intel Chairman Arthur Rock and Intel CEO Brian Krzanich were in attendance.
