MANAGEMENT INFORMATION CIRCULAR

This Management Information Circular contains information as of August 4, 2020 (unless otherwise noted). Unless otherwise indicated, all amounts are stated in Canadian dollars. Unless otherwise indicated, all references to “shares” shall mean common shares of Khiron Life Sciences Corp.

PERSONS MAKING THIS SOLICITATION OF PROXIES

This Management Information Circular is furnished to you in connection with the solicitation of proxies by or on behalf of the management of Khiron Life Sciences Corp. (“we”, “us” or the “Company”) for use at the 2020 Annual General and Special Meeting (the “Meeting”) of the shareholders of the Company to be held on September 10, 2020, for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment thereof. The Company will conduct its solicitation primarily by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or personal contact. We will not specifically engage employees or soliciting agents to solicit Proxies. We will pay the expenses of this solicitation.

APPOINTMENT OF PROXYHOLDER

The person(s) designated by management of the Company as proxyholders in the enclosed proxy (the “Proxy”) are the Company’s directors or officers (the “Management Proxyholders”). As a shareholder, you have the right to appoint a person other than a Management Proxyholder to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the Proxy and strike out the other names or complete and deliver another appropriate Proxy. A proxyholder need not be a shareholder.

A Proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

REVOCABILITY OF PROXY

Any shareholder who has returned a Proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a shareholder, his attorney authorized in writing or, if the shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a Proxy by instrument in writing, including a Proxy bearing a later date. The instrument revoking the Proxy must be deposited at the offices of TSX Trust Company, 301-100 Adelaide St. W., Toronto, Ontario M5H 4H1, at any time up to 48 hours prior to the date of the Meeting, excluding Saturdays, Sundays and holidays, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. OBOs (as defined below) who wish to change their vote must, at least 7 days before the Meeting, arrange for their Nominees (as defined below) to so act on their behalf.

COMPLETION AND VOTING OF PROXIES

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a ballot on the questions is required or demanded, in which case each shareholder is entitled to one vote for each share held. In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “**ordinary resolution**”) unless the motion requires a special resolution (a “**special resolution**”) in which case a majority of two-thirds (2/3) of the votes cast will be required.

A shareholder or intermediary acting on behalf of a shareholder may indicate the manner in which the persons named in the enclosed Proxy are to vote with respect to any matter by checking the appropriate space. Shares represented by a properly executed Proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with your instructions on any ballot that may be called for and if you specify a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If you do not specify a choice and you have appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

If you do not specify a choice and you have appointed other than one of the Management Proxyholders as proxyholder, the proxyholder may vote in his/her discretion for the matters specified in the Proxy.

If you or an intermediary acting on your behalf wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **IN SUCH INSTANCE, THE PROXYHOLDER, IF ONE PROPOSED BY MANAGEMENT, INTENDS TO VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.** The enclosed Proxy, when properly signed, also confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may be properly brought before the Meeting. At the time of printing this Management Information Circular, our management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. If, however, other matters which are not now known to management should properly come before the Meeting, the persons named in the Proxy intend to vote on such other business in accordance with their best judgment.

The Proxy must be dated and signed by you or by your attorney authorized in writing or by the intermediary acting on your behalf. In the case of a corporation, the Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

COMPLETED PROXIES TOGETHER WITH THE POWER OF ATTORNEY OR OTHER AUTHORITY, IF ANY, UNDER WHICH IT WAS SIGNED OR A NOTARIALY CERTIFIED COPY THEREOF MUST BE DEPOSITED WITH THE COMPANY'S TRANSFER AGENT, TSX TRUST COMPANY, OF 301-100 ADELAIDE ST. W., TORONTO, ONTARIO M5H 4H1, AT LEAST 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF. UNREGISTERED SHAREHOLDERS WHO RECEIVED THE PROXY THROUGH AN INTERMEDIARY MUST DELIVER THE PROXY IN ACCORDANCE WITH THE INSTRUCTIONS GIVEN BY SUCH INTERMEDIARY. YOU MAY ALSO VOTE BY TELEPHONE AND INTERNET. PLEASE SEE THE PROXY FOR INSTRUCTIONS REGARDING TELEPHONE AND INTERNET VOTING.

Only shareholders of record at the close of business on August 4, 2020 will be entitled to vote at the Meeting.

ADVICE TO NON-REGISTERED HOLDERS OF COMMON SHARES

Only shareholders whose names appear on our records or validly appointed proxyholders are permitted to vote at the Meeting. Most of our shareholders are "non-registered" shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as “non-objecting beneficial owners” or “**NOBOs**”. Those non-registered shareholders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as “objecting beneficial owners” or “**OBOs**”.

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting materials, being the Notice of Meeting, this Management Information Circular, and the Proxy directly to NOBOs and to the Nominees for onward distribution to OBOs.

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting materials sent to non-registered holders who have not waived the right to receive Meeting materials are accompanied by a request for voting instructions (a “**VIF**”), instead of a Proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIF’s, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the shares of the Company which they beneficially own. Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.**

Only shareholders of record at the close of business on August 4, 2020 will be entitled to vote at the Meeting.

COVID-19 RESTRICTIONS ON IN-PERSON ATTENDANCE AT THE MEETING

Due to the COVID-19 pandemic, the Ontario government has issued an order which, as of the date of this Management Information Circular, prohibits indoor gatherings of more than fifty (50) people. In addition, the wearing of a mask or face covering is required in indoor public spaces as of July 7, 2020 under City of Toronto By-Law 541-2020. If these orders, or another law or order is in place on the date of the Meeting, the Company intends to proceed with the Meeting so long as quorum is satisfied, and attendance will be limited to the maximum number of people permitted by law, following applicable physical distancing guidelines and face mask requirements as may be in effect at that time. The Company may implement additional safety and screening measure as a further precaution at the Meeting.

The Company urges Shareholders to submit their forms of proxy or voting instruction forms in advance of the Meeting and not plan on attending the Meeting in person, in order to comply with government orders and public health directives regarding public gatherings and social distancing. Shareholders are also encouraged to vote in advance of the Meeting by following the instructions in the form of proxy for voting by telephone or internet.

YOU MAY BE REFUSED ADMISSION TO THE MEETING IF THE MAXIMUM NUMBER OF PEOPLE PERMITTED BY LAW, OR THE MAXIMUM CAPACITY FOR THE MEETING ROOM IS REACHED, OR IF YOU DO NOT OTHERWISE COMPLY WITH REQUIREMENTS IN EFFECT REGARDING FACE COVERINGS OR PHYSICAL DISTANCING.

NOTICE-AND-ACCESS

The Company is not sending the Meeting materials to shareholders using “notice-and-access”, as defined under NI 54-101.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and the **approval** of the Company’s amended and restated stock option plan (“**Stock Option Plan**”) and amended and restated restricted share unit plan (“**RSU Plan**”), all described in this Management Information Circular.

Stock Option Plans and Other Incentive Plans

Stock Option Plan

The purpose of the Stock Option Plan is to: (i) provide Eligible Persons (employees, directors, executive officers and consultants) with additional incentive; (ii) encourage stock ownership by Eligible Persons; and (iii) attract and retain Eligible Persons.

The aggregate number of shares currently reserved for issuance under the Stock Option Plan and any other securities compensation arrangement is 11,974,500, being 20% of the 92,072,502 shares issued as at April 24, 2019, less the number of RSUs and options issued as at April 24, 2019.

The number of shares that may be reserved for issuance to an Eligible Person in any 12-month period shall not exceed 5% of the issued and outstanding shares, unless any disinterested shareholder approval required by the TSXV has been obtained. Unless disinterested shareholder approval is obtained, the number of shares that may be reserved for issuance to insiders under the Stock Option Plan and under any other share compensation arrangement will not exceed, in the aggregate, 10% of the issued shares (on a non-diluted basis) at any point in time.

Unless disinterested shareholder approval is obtained, an option may only be granted to an insider under the Stock Option Plan if the number of shares reserved for issuance under that option, when combined with the number of shares reserved for issuance under all options granted within the one-year period before the grant date to insiders, does not exceed, in aggregate, 10% of the issued shares on the grant date. The aggregate number of options granted to all persons conducting “investor relations activities” in any 12-month period must not exceed, in the aggregate, 2% of the issued shares. In addition, the Company must not grant aggregate options to any one consultant in any 12-month period that exceeds 2% of the issued shares.

The Board sets the exercise price in respect of each share issuable under an option granted under the Stock Option Plan. The exercise price will not be less than the fair market value of a share on the grant date and, is subject to the minimum exercise price permitted by the TSXV. Generally, “fair market value” will mean the last closing price of the shares on the TSXV before the grant of the option.

The expiry date of any option granted under the Stock Option Plan shall not exceed a period of 10 years. Unvested options are subject to immediate termination if a participant ceases to be an Eligible Person. Vested options are subject to earlier expiry in the following circumstances: (i) within 90 days of termination of employment without cause, contract expiry or non-renewal, or failure of a director to stand for re-election or to be re-elected; (ii) within 180 days of retirement or termination due to disability; (iii) within one year of the death of the participant; and (iv) upon the termination date in all other circumstances.

The Stock Option Plan was approved by the shareholders of Khiron at its annual general and special meeting on May 31, 2019. Khiron will seek approval of the amended and restated Stock Option Plan from its current shareholders at the Meeting, pursuant to the requirements of the TSXV.

The amended and restated Stock Option Plan increases the number of shares issuable under the Stock Option Plan and any other securities compensation arrangement from 11,974,500, to 13,398,580, being 20% of the shares issued as at August 4, 2020, less the number of options and RSUs issued as at that date.

The amended and restated Stock Option Plan includes a detailed amendment provision, setting forth the amendments to the Stock Option Plan or options that may be made by the Board, and those which require shareholder approval. Under the amended and restated Option Plan, amendments to any of the following provisions of the Stock Option Plan will be subject to shareholder approval:

- persons eligible to be granted options;
- the maximum number or percentage of shares that may be reserved for issuance pursuant to the exercise of options;
- the limitations on the number of options that may be granted to any one person or any category of persons (such as, for example, Insiders);
- the method for determining the exercise price;
- the maximum term of options;
- the expiry and termination provisions applicable to options; and
- the amendment provisions of the Stock Option Plan.

The amended and restated Stock Option Plan provides that the Board may approve the following types of amendments without shareholder approval: (i) amendments to fix typographical errors; and (ii) amendments to clarify existing provisions of the Stock Option Plan that do not have the effect of altering the scope, nature and intent of such provisions. Further, the amended and restated Stock Option Plan provides that the Board may amend the terms of an option to reduce the number of shares under option, increase the exercise price; or cancel an option; without TSXV or shareholder approval provided the Company issues a news release outlining the terms of the amendment.

Under the amended and restated Stock Option Plan, if the Company cancels an option and within one year grants new options to the same individual, the new options will be subject to applicable TSXV requirements for amending options, including without limitation, the requirement for shareholder approval of reductions in the exercise price for insiders of the Company. The prohibition in the current plan against re-pricing of options would be deleted, however, the amended and restated Stock Option Plan would require that disinterested shareholder approval be obtained for any reduction in the exercise price or to extend the expiry date if the participant is an insider at the time of the proposed amendment.

For additional information, please see the full text of the amended and restated Stock Option Plan in Schedule A to this Circular.

RSU Plan

The purpose of the RSU Plan is to strengthen the alignment of interests between the participants and the shareholders, and for the purposes of advancing the interests of the Khiron through the motivation, attraction, and retention of the RSU Participants.

The aggregate number of shares currently reserved for issuance under the RSU Plan and any other securities compensation arrangement is 11,974,500, being 20% of the 92,072,502 shares issued as at April 24, 2019, less the number of RSUs and options issued as at April 24, 2019.

The Board may, from time to time, in its discretion and in accordance with TSXV requirements, grant to directors, officers, employees and consultants of the company and its affiliates (“participants”), restricted share units of Khiron (“**RSUs**”). The terms and conditions attached to the grants will be determined by the Board, in its sole discretion. The Board has the power and discretionary authority to determine the terms and conditions of the grants, including the individuals who will receive the grants, the number of RSUs subject to each grant, the limitations or restrictions on vesting of grants, acceleration of vesting or the waiver of forfeiture or other restrictions on grants, the form of consideration payable on settlement of RSUs and the timing of the grants. The Board also has the power to establish procedures for payment of withholding tax obligations with cash.

Each grant will constitute an agreement to deliver RSUs or cash consideration to the participant upon the vesting of the RSU in consideration of the performance of services, subject to the fulfillment of such conditions as the Board may specify including, but not limited to, the participant’s achievement of specified objectives. A participant will not have ownership or voting rights with respect to the RSU or the underlying shares associated with the RSU. On the vesting date, the Company, at its sole and absolute discretion, shall

have the option of settling the RSU by any of the following methods or a combination thereof: (a) payment in cash; (b) issuance of shares acquired by the Company on the TSXV; or (c) payment in shares issued from the treasury of the Company. The cash value of the RSU award is the number of RSUs multiplied by the fair market value of the shares, which is generally the volume weighted average of the prices at which the shares traded on the TSXV during the three (3) trading days preceding the vesting date.

The RSU Plan limits issuances of RSUs such that the aggregate number of common shares (i) issued to any one person under the RSU Plan and all other security-based compensation arrangements of Khiron will not exceed 5% of the issued shares; (ii) issued to insiders of Khiron pursuant to the RSU Plan and all other security-based compensation arrangements of Khiron will not, at any time, exceed 10% of the total number of issued shares unless disinterested shareholder approval is obtained, (ii) issued to insiders of Khiron pursuant to the RSU Plan and all other security based compensation arrangements of Khiron will not, within a one-year period, exceed 10% of the total number of issued shares unless disinterested shareholder approval is obtained; and (iii) issued to employees or directors performing Investor Relations activities under all security based compensation arrangements will not, in any 12 month period, exceed 2% of the total number of issued shares. In addition, the RSU Plan currently does not permit RSUs to be issued to directors of the Company who are not officers or employees of the Company or its affiliates.

Unless otherwise determined by the Board, or unless otherwise agreed in an RSU Agreement or other written agreement (including an employment or consulting agreement), each RSU shall provide that if a Participant shall cease to be a director or officer of or be in the employ of, or a consultant to the Company or its affiliates, for any reason whatsoever including, without limitation, retirement, resignation or involuntary termination (with or without cause), as determined by the Board in its sole discretion, before the RSUs have vested, (i) such Participant shall cease to be a Participant and immediately forfeit all unvested RSUs; and (ii) the value corresponding to any vested RSUs remaining unpaid as of the forfeiture date shall be paid to the former Participant in accordance with the terms of the RSU Plan. Notwithstanding, and unless otherwise determined by the Board, or unless otherwise agreed in an RSU Agreement or other written agreement (including an employment or consulting agreement), if a Participant shall cease to be a director or officer of or be in the employ of, or a consultant to the Company or its affiliates due to the death of the Participant, any unvested RSUs in the deceased Participant's account effective as at the time of the Participant's death shall be deemed to have vested immediately prior to the forfeiture date with the result that the deceased Participant shall not forfeit any unvested RSUs and the value corresponding to all RSUs shall be paid to the estate of the Participant in accordance with the terms of the RSU Plan.

The RSU Plan was approved by the shareholders of Khiron, at its annual general and special meeting on May 31, 2019. Khiron will seek the approval of the amended and restated RSU Plan from its current shareholders at the Meeting, pursuant to the requirements of the TSXV.

The amended and restated RSU Plan increases the number of shares issuable under the RSU Plan and any other securities compensation arrangement from 11,974,500, to 13,398,580, being 20% of the shares issued as at August 4, 2020, less the number of options and RSUs issued as at that date.

The amended and restated RSU Plan changes the classes of Eligible Persons by removing the exclusion on grants to directors of the Company who are not also employees or officers of the Company or its subsidiaries and by prohibiting grants of RSUs to consultants performing investor relations activities. In addition, the amended and restated RSU Plan includes a detailed amendment provision, setting forth the amendments to the RSU Plan or RSUs that may be made by the Board, and those which require shareholder approval.

Amendments to any of the following provisions of the RSU Plan will be subject to shareholder approval:

- persons eligible to be granted RSUs;
- the maximum number or percentage of shares that may be reserved for issuance pursuant to the vesting of RSUs;

- the limitations on the number of options that may be granted to any one person or any category of persons (such as, for example, Insiders);
- the maximum term of RSUs;
- the expiry and termination provisions applicable to RSUs; and
- the amendment provisions of the RSU Plan.

The amended and restated RSU Plan provides that the Board may approve the following types of amendments without shareholder approval: (i) amendments to fix typographical errors; and (ii) amendments to clarify existing provisions of the RSU Plan that do not have the effect of altering the scope, nature and intent of such provisions. Further, the amended and restated RSU Plan provides that the Board may amend the terms of an RSU to reduce the number of Shares, or cancel an RSU; without TSXV or shareholder approval provided the Company issues a news release outlining the terms of the amendment. Disinterested shareholder approval must be obtained to extend the expiry date if the Participant is an Insider at the time of the proposed amendment.

The vesting and settlement provisions of the amended and restated RSU Plan are consistent with the RSU Plan; however, the “fair market value” for determining the award value of an RSU has been harmonized with the definition in the amended and restated Stock Option Plan, to be the last closing price of the shares on the TSXV before the vesting date. Where practicable, the structure and defined terms in the amended and restated RSU Plan have also been amended to achieve closer alignment with the amended and restated Stock Option Plan for greater ease of interpretation and administration.

For additional information please see the full text of the amended and restated RSU Plan in Schedule B to this Management Information Circular.

Ethical Business Conduct

The Board relies on the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law to ensure the Board operates independently of management and in the best interests of the Company. The Board has found that these, combined with the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest, have been sufficient.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company’s corporate governance practice allows the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.

- 3.6.2 No Option will be granted and no Shares issued under this Plan if that grant or issue would require registration of this Plan or of Shares under the securities laws of any foreign jurisdiction. Any purported grant of any Option or issue of Shares under this Plan in violation of this Section 3.6.2 will be void.
- 3.6.3 Shares issued to Participants pursuant to the exercise of Options may be subject to limitations on sale or resale under Applicable Laws.

ARTICLE 4 TERMS OF OPTIONS

4.1 Grants

- 4.1.1 Subject to the provisions of this Plan, the Board will have the authority to grant Options to Eligible Persons, and to determine the terms and conditions applicable to the exercise of those Options, including, for each Option:
 - 4.1.1.1 the number of Shares issuable under the Option;
 - 4.1.1.2 the Option Exercise Price;
 - 4.1.1.3 the Option Expiry Date;
 - 4.1.1.4 the vesting conditions, if any;
 - 4.1.1.5 the nature and duration of the restrictions, if any, to be imposed on the sale or other disposition of Shares acquired on the exercise of the Option; and
 - 4.1.1.6 the events, if any, that could give rise to a termination of the Participant's rights under the Option, and the period in which such a termination can occur.

4.1.2 Each Option must be confirmed by an Option Agreement executed by the Corporation and by the Participant to whom that Option is granted. Subject to specific variations approved by the Board in respect of any Option, those variations not to be inconsistent with the provisions of this Plan, all terms and conditions set out in this Plan will be incorporated by reference into and form part of each Option Agreement.

4.1.3 If an Option is to be granted to an Employee or a Consultant, the Corporation and the Person to whom that Option is proposed to be granted are responsible for ensuring and confirming that the Person is a bona fide Employee or Consultant.

4.2 Multiple Grants

An Eligible Person may be granted Options on more than one occasion under this Plan and be granted separate Options on any one occasion.

4.3 Option Exercise Price

The Board will set the option exercise price (the “**Option Exercise Price**”) in respect of each Share issuable under an Option granted to a Participant. The Option Exercise Price will not be less than the fair market value of a Share on the Grant Date and, if the Shares are listed on the Exchange, will be subject to the minimum Option Exercise Price permitted by the Exchange. For the purposes of this Section 4.3, “**fair market value**” means:

4.3.1 if the Shares are listed on the Exchange, the last closing price of the Shares on the Exchange before the grant of the Option;

4.3.2 if the Shares are not then listed on the Exchange, but are listed on another stock exchange or market, the last closing price of the Shares on the stock exchange or market before the grant of the Option; or

4.3.3 if Sections 4.3.1 and 4.3.2 do not apply, the value of a Share determined by the Board, taking into account any considerations which it determines to be appropriate at the relevant time.

4.4 Option Expiry Date

The Board will, on the Grant Date, set the option expiry date (the “**Option Expiry Date**”) of each Option granted to a Participant. The Option Expiry Date set under this Section 4.4 will be no later than ten (10) years after the Grant Date, and will be subject to earlier expiry in accordance with Section 4.10 and Section 4.11, and later expiry in accordance with Section 4.7.

4.5 Vesting of Options

4.5.1 Subject to Section 4.5.3, and unless accelerated by the Board under Section 4.5.2 or Section 4.11 or otherwise specified in the relevant Option Agreement, an Option will vest and become exercisable as to 1/3 of the Shares issuable under the Option on each of the following dates:

4.5.1.1 the Grant Date;

4.5.1.2 the first anniversary of the Grant Date; and

4.5.1.3 the second anniversary of the Grant Date.

- 4.5.2 Subject to Section 4.5.3, the Board may, at any time, accelerate the date on which any Option will vest and become exercisable.
- 4.5.3 An Option granted to an Investor Relations Participant will vest over a period of not less than 12 months from the Grant Date, and as to no more than 1/4 of the Shares issuable under the Option in any three-month period.

4.6 Exercise of Options

- 4.6.1 An Option will be exercisable until 5:00 p.m. (Toronto time) on the Option Expiry Date, but only to the extent that it has vested and has not expired or been terminated.
- 4.6.2 Subject to the provisions of this Plan and the related Option Agreement, an Option may be exercised, in whole or in part, at any time by delivery to the Corporation of a written notice of exercise, substantially in the form to be included with the Option Agreement, specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the Option Exercise Price of the Shares to be purchased. Payment of the Option Exercise Price must be made by cash, bank draft or certified cheque.

4.7 Blackout Periods

No Option may be exercised during a Blackout Period, if the Participant is then restricted from trading in Shares pursuant to any policy of the Corporation or Applicable Laws. If an Option Expiry Date set under Section 4.4 falls on a date within a Blackout Period or within nine (9) Business Days following the expiration of a Blackout Period, the expiry date for that Option will be automatically extended, without any further act or formality, to that date which is the tenth Business Day after the end of the Blackout Period. This Section 4.7 will not extend any termination or expiry date determined under Section 4.10 or 4.11. The automatic extension of a Participant's options will not be permitted where the Participant or the Corporation is subject to a cease trade order (or similar order under Securities Laws) in respect of the Corporation's securities.

4.8 Amendments to Plan or Options

- 4.8.1 The Board may amend this Plan or any Option, subject to the requirements of the Exchange (or any other stock exchange or market on which the Shares are listed), including any shareholder approval requirements, provided that if an amendment materially impairs an Option or is materially adverse to its holder, the amendment will not take effect in respect of that Option until the consent of the Participant holding the Option has been obtained.
- 4.8.2 Amendments to any of the following provisions of the Plan will be subject to shareholder approval:
- 4.8.2.1 persons eligible to be granted Options under the Plan;
 - 4.8.2.2 the maximum number or percentage, as the case may be, of shares that may be reserved under the Plan for issuance pursuant to the exercise of Options;
 - 4.8.2.3 the limitations under the Plan on the number of Options that may be granted to any one person or any category of persons (such as, for example, Insiders);
 - 4.8.2.4 the method for determining the Option Exercise Price;

- 4.8.2.5 the maximum term of Options;
 - 4.8.2.6 the expiry and termination provisions applicable to Options; and
 - 4.8.2.7 the amendment provisions of the Plan.
- 4.8.3 Notwithstanding the foregoing, the Board may approve the following types of amendments without shareholder approval: (i) amendments to fix typographical errors; and (ii) amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of such provisions.
- 4.8.4 The Board may amend the terms of an Option to:
- 4.8.4.1 reduce the number of Shares under Option;
 - 4.8.4.2 increase the Option Exercise Price; or
 - 4.8.4.3 cancel an Option;
- without Exchange or shareholder approval provided the Corporation issues a news release outlining the terms of the amendment. If the Corporation cancels an Option and within one year grants new Options to the same individual, the new Options will be subject to applicable Exchange requirements for amending options, including without limitation, the requirement for shareholder approval of reductions in the Option Exercise Price for Insiders.
- 4.8.5 Disinterested shareholder approval must be obtained for any reduction in the Option Exercise Price or to extend the Option Expiry Date if the Participant is an Insider of the Corporation at the time of the proposed amendment.

4.9 Withholding of Tax

- 4.9.1 The Corporation and any Subsidiary may take reasonable steps for the withholding of any taxes or other source deductions that it is required by Applicable Laws or the requirements of any Governmental Authority to remit in connection with this Plan, any Option or any issuance of Shares upon the exercise of an Option, including:
- 4.9.1.1 deducting and withholding the amount required to be remitted (the “**Remittance Amount**”) from any cash remuneration or any other amount payable to a Participant, whether or not related to the Plan, the exercise of any Options or the issue of any Shares;
 - 4.9.1.2 permitting the Participant to make a cash payment to the Corporation equal to the Remittance Amount; or
 - 4.9.1.3 selling, or causing a broker or other Person (the “**Broker**”) engaged by the Corporation to sell, on behalf of any Participant, that number of Shares issued to the Participant pursuant to an exercise of Options, such that the amount received by the Corporation or Subsidiary from the proceeds of the sale will be sufficient to satisfy the obligation to remit the Remittance Amount (and to fund any fees or commissions payable to the Broker and other costs and expenses of the transaction).

4.9.2 Any Shares of a Participant that are sold by the Corporation, or by a Broker engaged by the Corporation, to fund a Remittance Amount will be sold as soon as practicable, and, if applicable, in transactions effected on the exchange on which the Shares are then listed for trading. In effecting the sale of any Shares, the Corporation or the Broker will exercise its sole judgment as to the timing and manner of sale and will not be obligated to seek or obtain a minimum price. Neither the Corporation nor the Broker will be liable for any loss arising out of any sale of Shares, including any loss relating to the manner or timing of any sale, the prices at which the Shares are sold, or otherwise. In addition, neither the Corporation nor the Broker will be liable for any loss arising from a delay in transferring any Shares to a Participant. The sale price of Shares sold on behalf of Participants will fluctuate with the market price of the Shares and no assurance can be given that any particular price will be received upon any sale.

4.10 Termination of Employment or Service

4.10.1 Unless otherwise determined by the Board under Section 4.11 or otherwise specified in the relevant Option Agreement, if a Participant ceases to be an Eligible Person:

4.10.1.1 any unvested portion of any Option held by that Participant will immediately expire as of the Termination Date; and

4.10.1.2 any vested portion of any Option held by that Participant will expire on the earlier of the Option Expiry Date set by the Board under Section 4.4 (without including any extended expiry terms determined under Section 4.7) and:

4.10.1.2.1 in the case of termination of employment by the Corporation or a Subsidiary without cause, or the failure of a Director standing for election to be re-elected, or the failure by the Corporation or a Subsidiary to renew a contract for services at the end of its term, the date which is 90 days after the Termination Date;

4.10.1.2.2 in the case of the death of the Participant, the date which is one year after the death;

4.10.1.2.3 in the case of the Disability or Retirement of the Participant, the date which is 180 days after the Termination Date; and

4.10.1.2.4 in all other cases, the Termination Date,

(the date determined under Sections 4.10.1.2.1 to 4.10.1.2.4, the “**Early Expiry Date**”).

4.10.2 Unless otherwise determined by the Board, Options will not be affected by any change of employment or provision of services within or among the Corporation or any Subsidiaries, so long as the Participant continues to be an Eligible Person.

4.10.3 The Early Expiry Date will be determined based on the first of the events described in Sections 4.10.1.2.1 to 4.10.1.2.4 to occur.

4.10.4 Options granted under this Plan are not part of a Participant’s regular employment or consulting compensation, and no value will be attributed to any Options as part of calculating any Participant’s damages for wrongful dismissal, or any amount due to a Participant with respect

to reasonable notice, notice of termination, severance or termination pay, or compensation in lieu of notice.

4.11 Change of Control

4.11.1 Despite any other provision of this Plan or any Option Agreement, in the event of an actual or potential Change of Control Transaction, the Board has the right, in its sole discretion and on the terms it sees fit, without any action or consent required on the part of any Participant, to deal with any Options (or any portion of any Options) in the manner it deems equitable and appropriate in the circumstances, including the right to:

4.11.1.1 determine that any Options (or any portion of any Options) will remain in full force and effect in accordance with their terms after the Change of Control Transaction;

4.11.1.2 cause any Options (or any portion of any Options) to be converted or exchanged for options to acquire shares of another entity involved in the Change of Control Transaction, having the same value and terms and conditions as the Options;

4.11.1.3 accelerate the vesting of any unvested Options;

4.11.1.4 provide Participants with the right to surrender any Options (or any portion of any Options) for an amount per underlying Share equal to the positive difference, if any, between the fair market value of the Share on the date of surrender and the Option Exercise Price; and

4.11.1.5 accelerate the date by which any Options (or any portion of any Options) must be exercised.

4.11.2 The Corporation will use its best efforts to give the affected Participants written notice of any determination made by the Board under Section 4.11.1 at least 14 days before the effective date of the Change of Control Transaction.

4.12 Transferability

4.12.1 Subject to Section 4.12.2, the Options and all benefits and rights accruing to a Participant in accordance with the terms and conditions of this Plan are not directly or indirectly transferable and cannot be assigned, charged, pledged or hypothecated, or otherwise alienated, by a Participant, whether voluntarily, involuntarily, by operation of law or otherwise.

4.12.2 On a Participant's death, vested Options, benefits and rights may pass by the Participant's will or the laws of descent and distribution to the legal representative of the Participant's estate or any other Person who acquires the Participant's vested Options by bequest or inheritance. No transfer of a vested Option by will or by the laws of descent and distribution will be effective to bind the Corporation until the Corporation has been furnished with any evidence that the Corporation may deem necessary to establish the validity of the transfer and the acceptance by the transferee of the terms and conditions of this Plan and the relevant Option Agreement.

ARTICLE 5
MISCELLANEOUS PROVISIONS

5.2 No Employment Rights

Nothing in this Plan or any Option will confer on a Participant any right to continue in the employment or service of the Corporation or any Subsidiary or affect in any way the right of the Corporation or any Subsidiary to terminate the Participant's employment or service at any time; nor will anything in this Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any Subsidiary to extend the employment or service of any Participant beyond the date on which the Participant's relationship with the Corporation or any Subsidiary would otherwise be terminated due to Retirement or pursuant to the provisions of any employment, consulting or other contract for services with the Corporation or any Subsidiary.

5.3 No Undertaking or Representation

The Participants, by participating in this Plan, will be deemed to have accepted all risks associated with acquiring Shares pursuant to this Plan. - (a) The Board may amend this Plan in any way, or discontinue this Plan altogether, and may amend, in any way, any RSU granted under this Plan at any time without the consent of an Participant, provided that such amendment shall not adversely alter or impair any RSU previously granted under the Plan or any related RSU Agreement, except as otherwise permitted hereunder and further provided that no amendment will cause the Plan or any RSU to cease to comply with paragraph (k) of the definition of “salary deferral arrangement” in subsection 248(1) of the *Income Tax Act* (Canada). In addition, the Board may, by resolution, make any amendment to this Plan or any RSU granted under it (together with any related RSU Agreement) without shareholder approval, provided however, that the Board will not be entitled to amend this Plan or any RSU granted under it without shareholder (disinterested shareholder approval if applicable) and, if applicable, Exchange approval, in order to: (i) increase the maximum number of Shares issuable pursuant to this Plan; (ii) cancel an RSU and subsequently issue to the holder of such RSU a new RSU in replacement thereof; (iii) extend the term of an RSU, but not beyond the Expiry Date; (iv) permit the assignment or transfer of an RSU other than as provided for in this Plan; (v) add to the categories of persons eligible to participate in this Plan; (vi) remove or amend Section **Error! Reference source not found.**, Section **Error! Reference source not found.** or Section **Error! Reference source not found.** of this Plan; (vii) remove or amend this Section 2.6(a); or (viii) in any other circumstances where Exchange and shareholder approval is required by the Exchange. Any renewal of this plan will be subject to disinterested shareholder approval, and Exchange approval as applicable.
- (b) Without limitation of Section 2.6(a), the Board may correct any defect or supply any omission or reconcile any inconsistency in this Plan in the manner and to the extent deemed necessary or desirable, may establish, amend, and rescind any rules and regulations relating to this Plan, and may make such determinations as it deems necessary or desirable for the administration of this Plan.
- (c) On termination of this Plan, any outstanding awards of RSUs under this Plan shall immediately vest and the Award Value underlying the RSUs shall be paid to the Participants in accordance with and upon compliance with Section 4.6. This Plan will finally cease to operate for all purposes when (i) the last remaining Participant receives payment in respect of the Award Value underlying all RSUs credited to the Participant’s Account, or (ii) all unvested RSUs expire in accordance with the terms of this Plan and the relevant RSU Agreements.

2.7 Final Determination

Any determination or decision by, or opinion of, the Board, the Committee or a director or officer of the Corporation made or held pursuant to the terms set out herein shall be made or held reasonably and

shall be final, conclusive and binding on all parties concerned, including, but not limited to, the Corporation, the Participants and their beneficiaries and legal representatives.

Subject to Section 2.5, all rights, entitlements and obligations of Participants under this Plan are set forth in the terms hereof and cannot be modified by any other documents, statements or communications, except by amendment to the terms set out herein referred to in Section 2.6.

2.8 Withholding Taxes

When an Participant or other person becomes entitled to receive a payment in respect of any RSUs, the Corporation or a member of the Khiron Group shall have the right to require the Participant or such other person to remit to the Corporation or to a member of the Khiron Group, as the case may be, an amount sufficient to satisfy any withholding tax requirements relating thereto. Unless otherwise prohibited by the Committee or by applicable law, satisfaction of the withholding tax obligation may be accomplished by any of the following methods or by a combination of such methods:

- (a) the tendering by the Participant of a cash payment to the Corporation, or a member of the Khiron Group, as the case may be;
- (b) where the Corporation has elected to issue Shares to the Participant, the withholding by the Corporation or a member of the Khiron Group, as the case may be, from the Shares otherwise deliverable to the Participant such number of Shares as it determines are required to be sold by the Corporation, or a member of the Khiron Group, as the case may be, as agent for and on behalf of the Participant, to satisfy the total withholding tax obligation (net of selling costs, which shall be paid by the Participant). The Participant consents to such sale and grants to the Corporation, or a member of the Khiron Group, as the case may be, an irrevocable power of attorney to effect the sale of such Shares and acknowledges and agrees that neither the Corporation nor any member of the Khiron Group accepts any responsibility for the price obtained on the sale of such Shares; or
- (c) the withholding by the Corporation or a member of the Khiron Group, as the case may be, from any cash payment otherwise due to the Participant.

provided, however, that the sum of any cash so paid or withheld and the Fair Market Value of any Shares so withheld is sufficient to satisfy the total withholding tax obligation. Any reference in this Plan to the Award Value or payment of cash or issuance of Shares in settlement thereof is expressly subject to this Section 2.8.

2.9 Taxes

Participants (or their beneficiaries) shall be responsible for reporting and paying all taxes with respect to any RSUs under the Plan, whether arising as a result of the grant or vesting of RSUs or otherwise. Neither the Corporation nor the Board make any guarantees to any person regarding the tax treatment of an RSU or payments made under the Plan and none of the Corporation or any of its employees or representatives shall have any liability to an Participant with respect thereto. The Corporation will provide each Participant with (or cause each Participant to be provided with) a T4 slip or such information return as may be required by applicable law to report income, if any, arising upon the grant or vesting of rights under this Plan by an Participant for income tax purposes.

2.10 Information

Each Participant shall provide the Corporation with all of the information (including personal information) that it requires in order to administer this Plan.

2.11 Account Information

Information pertaining to the RSUs in Participants' Accounts will be made available to the Participants at least annually in such manner as the Corporation may determine and shall include such matters as the Board or the Committee may determine from time to time or as otherwise may be required by law.

2.12 Indemnification

Each member of the Board or Committee is indemnified and held harmless by the Corporation against any cost or expense (including any sum paid in settlement of a claim with the approval of the Corporation) arising out of any act or omission to act in connection with the terms hereof to the extent permitted by applicable law. This indemnification is in addition to any rights of indemnification a Board or Committee member may have as director or otherwise under the by-laws of the Corporation, any agreement, any vote of shareholders, or disinterested directors, or otherwise.

ARTICLE III ELIGIBILITY AND PARTICIPATION IN THE PLAN

3.1 Participation

The Board, in its sole discretion, shall determine, or shall delegate to the Committee the authority to determine, which Eligible Persons will participate in this Plan.

3.2 RSU Agreement

A Participant shall confirm acknowledgement of an award of RSUs made to such Participant in such form as determined by the Board from time to time (the "**RSU Agreement**"), within such time period and in such manner as specified by the Board. If acknowledgement of an award of RSUs is not confirmed by a Participant within the time specified, the Corporation reserves the right to revoke the crediting of RSUs to the Participant's Account.

3.3 Participant's Agreement to be Bound

Participation in this Plan by any Participant shall be construed as irrevocable acceptance by the Participant of the terms and conditions set out herein and all rules and procedures adopted hereunder and as amended from time to time.

ARTICLE IV TERMS OF THE PLAN

4.1 Grant of RSUs

Subject to Section 0, an award of RSUs pursuant to this Plan will be made and the number of such RSUs awarded will be credited to each Participant's Account, effective as of the Award Date. The number

of RSUs to be credited to each Participant's Account shall be determined by the Board, or the Committee delegated by the Board to do so, each in its sole discretion.

4.2 Credits for Dividends

Following the declaration and payment of dividends on the Shares, the Board may, in its absolute discretion, determine to make a cash payment to a Participant in respect of outstanding RSUs credited to the Participant's Account (a "**Dividend Equivalent**"). Such Dividend Equivalent, if any, shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs recorded in the Participant's Account on the record date for the payment of such dividend, by (b) the Dividend Market Value, with fractions computed to three decimal places. Payment of any such Dividend Equivalent will be made forthwith following any such determination by the Board and in any event within thirty (30) days of such determination.

4.3 Vesting

The Board or the Committee may, in its sole discretion, determine the time during which RSUs shall vest (except that no RSU, or portion thereof, may vest after the Expiry Date) and whether there shall be any other conditions or performance criteria to vesting. In the absence of any determination by the Board or the Committee to the contrary, RSUs will vest and be payable as to one third (1/3) of the total number of RSUs granted on each of the first, second and third anniversaries of the Award Date (computed in each case to the nearest whole RSU), provided that in all cases payment in satisfaction of a RSU shall occur prior to the Outside Payment Date. Notwithstanding the foregoing, the Committee may, at its sole discretion at any time or in the RSU Agreement in respect of any RSUs granted, accelerate or provide for the acceleration of vesting in whole or in part of RSUs previously granted. The Award Value of any RSU shall be determined as of the applicable Vesting Date.

4.4 Limits on Issuances

Notwithstanding any other provision of this Plan:

- (a) The number of Shares that may be reserved for issuance under this Plan and under any other Share Compensation Arrangement will not exceed, in the aggregate, 13,398,580 Shares.
- (b) The Corporation will, at all times during the term of this Plan, reserve and keep available the number of Shares necessary to satisfy the requirements of this Plan.
- (c) An RSU may only be granted to a Consultant under this Plan if the number of Shares reserved for issuance under that RSU, when combined with the number of Shares reserved for issuance under all Share Compensation Arrangements granted within the one-year period before the Grant Date by the Corporation to Consultants, does not exceed, in aggregate, 2% of the outstanding Shares on the Grant Date (with the outstanding Shares being calculated on a non-diluted basis, and excluding Shares issued to Consultants within the previous one-year period pursuant to the exercise of options or vesting of RSUs).
 - (i) A Consultant must render services for a period of at least 12 months, on a continuous basis, in order to be an Eligible Person under the Plan.
 - (ii) RSUs may not be granted to Consultants performing Investor Relations Activities.
- (d) An RSU may only be granted to a Person under this Plan if the number of Shares reserved for issuance under that RSU, when combined with the number of Shares reserved for

issuance under all Share Compensation Arrangements granted within the one-year period before the Grant Date by the Corporation to that Person, does not exceed, in aggregate, 5% of the outstanding Shares on the Grant Date (with the outstanding Shares being calculated on a non-diluted basis, and excluding Shares issued to that Person within the previous one-year period pursuant to the exercise of options or vesting of RSUs), unless any disinterested shareholder approval required by the Exchange has been obtained.

- (e) Unless disinterested shareholder approval is obtained, the number of Shares that may be reserved for issuance to Insiders under this Plan and under any other Share Compensation Arrangement will not exceed, in the aggregate, 10% of the outstanding Shares (on a non-diluted basis) at any point in time.
- (f) Unless disinterested shareholder approval is obtained, an RSU may only be granted to an Insider under this Plan if the number of Shares reserved for issuance under that RSU, when combined with the number of Shares reserved for issuance under all Share Compensation Arrangements granted within the one-year period before the Grant Date by the Corporation to Insiders, does not exceed, in aggregate, 10% of the outstanding Shares on the Grant Date (with the outstanding Shares being calculated on a non-diluted basis, and excluding Shares issued to Insiders within the previous one-year period pursuant to the exercise of options or vesting of RSUs).
- (g) For the purposes of calculating the limits in this Section 4.4:
 - (i) the number of Shares reserved for issuance under an RSU means the number of Shares which were originally reserved for issuance upon the date of grant of the RSU (except for the purposes of calculating the limit in Section 2.3.4, in which case the number of Shares reserved for issuance means the number of Shares reserved for issuance at the time of the calculation); and
 - (ii) any RSUs or options granted within the relevant time but prior to the grantee becoming a Consultant or Insider, as applicable (a "**Restricted Person**"), and any Shares reserved or issued under those grants, will be included in the number of RSUs or options granted to those Restricted Persons, in the number of Shares reserved for issuance to those Restricted Persons, and in the number of Shares issued to those Restricted Persons, if the grantee becomes a Restricted Person on or before the date the calculation is made.

For the purposes of this Section 4.4, any increase in the issued and outstanding Shares (whether as a result of the issue of Shares from treasury in settlement of the Award Value underlying vested RSUs or otherwise) will not increase the number of Shares that may be issued pursuant to this Plan. Shares issued from treasury in settlement of an Award Value underlying vested RSUs will not become available for grant under this Plan.

RSUs (or the Award Value thereof) that are cancelled, surrendered, terminated or that expire prior to the final Vesting Date or in respect of which the Corporation has not elected to issue Shares from treasury in respect thereof shall result in such Shares that were reserved for issuance thereunder being available to be issued, at the election of Corporation, in respect of a subsequent grant of RSUs pursuant to this Plan to the extent of any Shares which have not been issued from treasury in respect of any such RSU.

For purposes of the calculations in this Section 4.5 only, it shall be assumed that all issued and outstanding RSUs will be settled by the issuance of Shares from treasury, notwithstanding the Corporation's right pursuant to Section 4.6 to settle the Award Value underlying vested RSUs in cash or by purchasing Shares on the open market.

In addition to the terms set out herein, the administration and limitations of this Plan will be subject to the provisions of TSXV Policy 4.4 – *Incentive Stock Options*, as applicable.

4.5 RSU Terms

The term during which a RSU may be outstanding shall, subject to the provisions of this Plan requiring or permitting the acceleration or the extension of the term, be such period as may be determined from time to time by the Board or the Committee, but subject to the rules of any stock exchange or other regulatory body having jurisdiction (but in no case shall the term of an RSU extend beyond the Expiry Date).

In addition, unless otherwise determined by the Board or the Committee, or unless the Corporation and a Participant agree otherwise in an RSU Agreement or other written agreement (including an employment or consulting agreement), each RSU shall provide that if a Participant shall cease to be a director or officer of or be in the employ of, or a consultant or other Participant to, any of the entities comprising the Khiron Group for any reason whatsoever including, without limitation, retirement, resignation or involuntary termination (with or without cause), as determined by the Board in its sole discretion, before all of the awards respecting RSUs credited to the Participant's Account have vested or are forfeited pursuant to any other provision hereof, (i) such Participant shall cease to be a Participant as of the Forfeiture Date, (ii) the former Participant shall forfeit all unvested awards respecting RSUs credited to the Participant's Account effective as at the Forfeiture Date, (iii) any Award Value corresponding to any vested RSUs remaining unpaid as of the Forfeiture Date shall be paid to the former Participant in accordance with Section 4.6, and (iv) the former Participant shall not be entitled to any further payment from this Plan.

Notwithstanding the preceding paragraph or anything else contained in this Plan to the contrary, unless otherwise determined by the Board or the Committee, or unless the Corporation and a Participant agree otherwise in an RSU Agreement or other written agreement (including an employment or consulting agreement), if a Participant shall cease to be a director or officer of or be in the employ of, or a consultant or other Participant to, any of the entities comprising the Khiron Group due to the death of the Participant, any unvested RSUs in the deceased Participant's Account effective as at the time of the Participant's death shall be deemed to have vested immediately prior to the Forfeiture Date with the result that the deceased Participant shall not forfeit any unvested RSUs and the Award Value corresponding to all RSUs credited to such Participant's Account shall be paid to the legal representative of the deceased former Participant's estate in accordance with Section 4.6 after receipt of satisfactory evidence of the Participant's death from the authorized legal representative of the deceased Participant.

Where a Vesting Date occurs on a date when a Participant is subject to a Black-Out Period, such Vesting Date shall be extended to a date which is within (10) ten business days following the end of such Black-Out Period, and further provided that (i) if any such extension would cause the Vesting Date or Vesting Dates to extend beyond the Expiry Date, the amounts to be paid on such Vesting Date or Vesting Dates shall be paid on the Expiry Date notwithstanding the Black-out Period, and (ii) if a Forfeiture Date occurs in respect of a Participant after the original Vesting Date then any unvested RSUs credited to the Participant's Account effective as of the Forfeiture Date that would have vested as of the original Vesting Date but for the Black-Out Period, shall be deemed to have vested immediately prior to the Forfeiture Date, but, subject to subparagraph (i), the Award Value of any such-vested RSUs shall be determined as of the Vesting Date as so extended by the provisions above, and any payment thereof shall be made only after such determination. If the Expiry Date occurs and as a result of the previous sentence of this paragraph the Vesting Date will occur while a Black-Out Period is still in effect, then the Corporation shall pay the Participant the entire Award Value of the vested RSUs in cash (and not Shares) and, for greater certainty, the Corporation shall not have any right to pay the Award Value in whole or in part in Shares notwithstanding any other provision of this Plan or any RSU Agreement.

This Plan does not confer upon a Participant any right with respect to continuation of employment by or service provision to any of the entities comprising the Khiron Group, nor does it interfere in any way with the right of the Participant or any of the entities comprising the Khiron Group to terminate the Participant's employment or service provision at any time.

4.6 Payment in Respect of RSUs

On the Vesting Date, the Corporation, at its sole and absolute discretion, shall have the option of settling the Award Value payable in respect of an RSU by any of the following methods or by a combination of such methods:

- (a) payment in cash;
- (b) payment in Shares acquired by the Corporation on the Exchange; or
- (c) payment in Shares issued from the treasury of the Corporation.

The Corporation shall not determine whether the payment method shall take the form of cash or Shares until the Vesting Date, or some reasonable time prior thereto. A holder of RSUs shall not have any right to demand, be paid in, or receive Shares in respect of the Award Value underlying any RSU at any time. Notwithstanding any election by the Corporation to settle the Award Value of any vested RSUs, or portion thereof, in Shares, the Corporation reserves the right to change its election in respect thereof at any time up until payment is actually made, and the holder of such vested RSUs shall not have the right, at any time to enforce settlement in the form of Shares of the Corporation.

Any amount payable to a Participant in respect of vested RSUs shall be paid to the Participant as soon as practicable following the Vesting Date and in any event within thirty (30) days of the Vesting Date and prior to the Outside Payment Date (provided that any amount payable with respect to a Vesting Date that occurs after the Forfeiture, but before the RSU has terminated in accordance with an applicable provision of Section 4.6, must occur not later than the Expiry Date).

Where the Corporation elects to pay any amounts pursuant to vested RSUs by issuing Shares, and the determination of the number of Shares to be delivered to a Participant in respect of a particular Vesting Date would result in the issuance of a fractional Share, the number of Shares deliverable on the Vesting Date shall be rounded down to the next whole number of Shares. No certificates representing fractional Shares shall be delivered pursuant to this Plan nor shall any cash amount be paid at any time in lieu of any such fractional interest.

ARTICLE V EFFECT OF CORPORATE EVENTS

5.1 Alterations in Shares

In the event:

- (a) of any change in the Shares through subdivision, consolidation, reclassification, amalgamation, merger or otherwise; or
- (b) that any rights are granted to all or substantially all shareholders to purchase Shares at prices substantially below Fair Market Value; or
- (c) that, as a result of any recapitalization, merger, consolidation or other transaction, the Shares are converted into or exchangeable for any other securities or property;

then the Board may make such adjustments to this Plan, to any RSUs and to any RSU Agreements outstanding under this Plan as the Board may, in its sole discretion, consider appropriate in the circumstances to prevent dilution or enlargement of amounts to be paid to Participants hereunder.

5.2 Merger and Sale, etc.

Except in the case of a transaction that is a Change of Control and to which Section 5.3 applies, if the Corporation enters into any transaction or series of transactions whereby the Corporation or all or substantially all of the assets would become the property of any other trust, body corporate, partnership or other person (a “**Successor**”), whether by way of takeover bid, acquisition, reorganization, consolidation, amalgamation, arrangement, merger, transfer, sale or otherwise, prior to or contemporaneously with the consummation of such transaction the Corporation and the Successor will execute such instruments and do such things as the Board or the Committee may determine are necessary to establish that upon the consummation of such transaction the Successor will assume the covenants and obligations of the Corporation under this Plan and the RSU Agreements outstanding on consummation of such transaction. Any such Successor shall succeed to, and be substituted for, and may exercise every right and power of the Corporation under this Plan and RSU Agreements with the same effect as though the Successor had been named as the Corporation herein and therein and thereafter, the Corporation shall be relieved of all obligations and covenants under this Plan and such RSU Agreements and the obligation of the Corporation to the Participants in respect of the RSUs shall terminate and be at an end and the Participants shall cease to have any further rights in respect thereof including, without limitation, any right to acquire Shares upon vesting of the RSUs.

5.3 Change of Control

Notwithstanding any other provision in this Plan but subject to any provision to the contrary contained in an RSU Agreement or other written agreement (such as an agreement of employment) between the Corporation and a Participant, if there takes place a Change of Control, all issued and outstanding RSUs shall vest (whether or not then vested) and the Vesting Date shall be the date which is immediately prior to the time such Change of Control takes place, or at such earlier time as may be established by the Board or the Committee, in its absolute discretion, prior to the time such Change of Control takes place.

ARTICLE VI GENERAL

6.1 Compliance with Laws

The Corporation, in its sole discretion, may postpone the issuance or delivery of any Shares that it elects to issue pursuant to any RSU to such date as the Committee may consider appropriate, and may require any Participant to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of Shares in compliance with applicable laws, rules and regulations, except that in no event may the issuance of such Shares in respect of a RSU occur after the Outside Payment Date. The Corporation shall not be required to qualify for resale pursuant to a prospectus or similar document any Shares that it elects to issue pursuant to the Plan, provided that, if required, the Corporation shall notify the Exchange and any other appropriate regulatory bodies in Canada and the United States of the existence of the Plan and the granting of RSUs hereunder in accordance with any such requirements.

6.2 General Restrictions and Assignment

Except as required by law, the rights of a Participant hereunder are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant.

The rights and obligations hereunder may be assigned by the Corporation to a Successor to the business of the Corporation.

6.3 Market Fluctuations

No amount will be paid to, or in respect of, a Participant under this Plan to compensate for a downward fluctuation in the price of Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Plan will be unfunded.

The Corporation makes no representations or warranties to Participants with respect to this Plan or the RSUs whatsoever. Participants are expressly advised that the value of any RSUs and Shares under this Plan will fluctuate as the trading price of Shares fluctuates.

In seeking the benefits of participation in this Plan, a Participant agrees to exclusively accept all risks associated with a decline in the market price of Shares and all other risks associated with the holding of RSUs.

6.4 No Shareholder Rights

Until Shares have actually been issued and delivered should the Corporation elect to so issue Shares in accordance with the terms of the Plan, a Participant to whom RSUs have been granted shall not possess any incidents of ownership of such Shares including, for greater certainty and without limitation, the right to receive dividends, if any, on such Shares and the right to exercise voting rights in respect of such Shares.

6.5 Section 409A

This Plan, the RSUs and payments made to U.S. Participants pursuant to this Plan are intended to comply with, or qualify for an exemption from, the requirements of Section 409A of the Code and shall be construed consistently therewith and shall be interpreted in a manner consistent with that intention. Terms defined in this Plan shall have the meanings given to such terms under Section 409A of the Code if and to the extent required to comply with Section 409A. Notwithstanding any other provision of this Plan, the Corporation reserves the right, to the extent it deems necessary or advisable, in its sole discretion, to unilaterally amend the Plan to ensure that all RSUs issued to U.S. Participants are awarded in a manner that qualifies for exemption from, or complies with, Section 409A, provided, however, that the Corporation makes no undertaking to preclude Section 409A from applying to an award of RSUs, and the U.S. Participant or his or her estate, as the case may be, is and shall at all times be solely responsible for the payment of all taxes and penalties under Section 409A. The Corporation, its affiliates, directors, officers and agents shall have no liability to a U.S. Participant, or any other party, if an RSU that is intended to be exempt from, or compliant with, Section 409A is not so exempt or compliant, or for any action taken by the Committee.

6.6 Governing Law

The validity, construction and effect of this Plan and any actions taken or relating to this Plan shall be governed by the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

6.7 Currency

All amounts paid or values to be determined under this Plan shall be in Canadian dollars.

6.8 Severability

The invalidity or unenforceability of any provision of this document shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from this document.

6.9 Effective Date

This Plan will be effective as of September 10, 2020 (the date approved by the shareholders of the Corporation).
