

Global Payments Releases 2025 Global Responsibility Report

ATLANTA--(BUSINESS WIRE)-- Global Payments Inc. (NYSE: GPN), a leading worldwide provider of payment technology and software solutions, today announced the release of its 2025 Global Responsibility Report. The report highlights the company's initiatives and accomplishments across its sustainability focus areas for the full year 2024.

"We strongly believe our mission, vision and values are key to achieving our goals, including our efforts to drive positive change across our four Global Responsibility pillars of Our People and Culture, Environmental Sustainability, Community Impact and Corporate Governance that are detailed in our 2025 Global Responsibility Report," said Cameron Bready, chief executive officer. "We remain steadfast in our commitment to our customers, shareholders and team members, as well as being good stewards in the communities around the world where we live and work."

Key initiatives across the company's sustainability pillars highlighted in the report include:

- Our People and Culture highlights the results of Global Payments' enterprise-wide Organizational Health Index Survey and the launch of the Global Mentorship Program for all team members.
- Environmental Sustainability discusses enhancements to our Environmental Sustainability Program, including governance structure and protocols and the recently established Environmental Sustainability Policy Statement.
- Community Impact spotlights Global Payments' commitment to supporting and nurturing programs that maximize the company's impact in the communities in which team members live and work around the globe.
- Corporate Governance details Global Payments' approach to corporate responsibility oversight and sustainability.

The 2025 Global Responsibility Report is aligned with the SASB Standards and Task Force on Climate-Related Financial Disclosures (TCFD) frameworks. The report also highlights the company's commitment to supporting the United Nations Sustainable Development Goals (SDGs). The company's latest CDP questionnaire, U.S. Equal Employment Opportunity Commission EEO-1 report, and other resources are available in the Sustainability portion of the investor relations section of its website at <https://investors.globalpayments.com/sustainability>.
