Sun Hydraulics to Participate at Baird 2017 Global Industrial Conference

SARASOTA, Fla.--(BUSINESS WIRE)-- [Sun Hydraulics Corporation](#) (NASDAQ:SNHY) (“Sun” or the “Company”), a global industrial technology leader that develops and manufactures solutions for both the hydraulics and electronics markets, announced that Wolfgang Dangel, President and Chief Executive Officer; and Tricia Fulton, Chief Financial Officer, will present and be available for investor meetings at the Baird 2017 Global Industrial Conference on Tuesday, November 7 and Wednesday, November 8, 2017 in Chicago.

Sun’s presentation is scheduled to begin at 8:00 a.m. Central Time (9:00 a.m. Eastern Time) on Wednesday, November 8. A link to the live webcast of the presentation, along with presentation materials, will be available on the Investor Relations page of the Company website at www.sunhydraulics.com. A replay of the webcast will be available for 90 days. A transcript of the presentation will be accessible on the Company website once available.

About Sun

Sun Hydraulics Corporation is an industrial technology leader that develops and manufactures solutions for both the hydraulics and electronics markets. In the hydraulics market, the Company is a leading manufacturer of high-performance screw-in hydraulic cartridge valves, electro-hydraulics, manifolds, and integrated package solutions for the worldwide industrial and mobile hydraulics markets. In the electronics market, the Company is a global provider of innovative electronic control, display and instrumentation solutions for both recreational and off-highway vehicles, as well as stationary and power generation equipment.
