Oscar Health Announces New Health Insurance Options in Georgia in 2025

NEW YORK--(BUSINESS WIRE)-- Oscar Health, Inc. (“Oscar”) (NYSE: OSCR), a leading healthcare technology company, today announced it will bring the Oscar experience to more individuals, families, and businesses through the ACA marketplace in Georgia in 2025. Oscar is introducing affordable health insurance products[1] that empower everyone to pursue a healthy life on their terms with:

- Services built around personal health needs and cultural preferences.
- High-quality networks that align with their schedules, neighborhoods, and more.
- Technology solutions to help members make informed choices about their health.

The Oscar experience will be available in 47 markets, including 17 new markets, in Georgia starting January 1, 2025.

Oscar has been a proud health plan of choice in Georgia for more than five years and ranks high in member satisfaction. Friends and family are more likely to recommend Oscar than any other health plan[2].

Individuals can go to Georgia Access during the 2025 Open Enrollment Period to select from Oscar’s full suite of easy, affordable plans, including:

- Bronze, Silver, and Gold HMO plans that work within any budget.
- $0 virtual primary and urgent care through Oscar Medical Group on most plans[3].
- $3 medications[4] and even lower cost access for people managing specific conditions.
- A dedicated concierge care team and healthcare app worth using.

Oscar is also introducing new solutions for Georgia residents:

- *Buena Salud*: A Spanish-first solution connecting Hispanic and Latino members with an Oscar care team, primary care provider, and healthcare community that share their cultural heritage.
- *Oscar for Employers and Employees:* An offering that gives employees access to Oscar’s plans using tax-free contributions from their employer to buy individual health insurance. Businesses with fewer than 50 employees can instantly offer these benefits through stretchdollar.com/oscar.[5]
- *Multi-condition plan:* A plan that helps members manage diabetes, pulmonary, and cardiovascular disease together, which can save 25% or more. Benefits include: $0 cardiologist, $0 pulmonologist, $0 endocrinologist visits; $0 screenings and labs; $0 primary and behavioral care; $0 medications.

Oscar’s networks include Emory Healthcare, Atrium Health, Advent Health System, Grady Health System, Northside Hospital System, WellStar Health System, and regional and

independent facilities. Members can access all Oscar plans in Spanish through the *Hola Oscar* experience, which has an industry-leading NPS of 87[6].

Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact contained herein are forward-looking statements. These statements include, but are not limited to, statements about our business prospects, and our management’s plans and objectives for future operations, expectations and business strategy. In some cases, you can identify forward-looking statements by terms such as “may,” “will,” “should,” “expects,” “plans,” “anticipates,” “could,” “intends,” “targets,” “projects,” “contemplates,” “believes,” “estimates,” “predicts,” “potential,” or “continue” or the negative of these terms or other similar expressions. Accordingly, we caution you that any such forward-looking statements are not guarantees of future performance and are subject to risks, assumptions, and uncertainties that are difficult to predict and generally beyond our control. Although management believes that the expectations reflected in these forward-looking statements are reasonable as of the date made, there are or will be important factors that could cause our actual results to differ materially from those indicated in these forward-looking statements, including, but not limited to, the factors set forth under the caption “Risk Factors” in our Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2024, filed with the Securities and Exchange Commission (“SEC”), and our other filings with the SEC. You are cautioned not to place undue reliance on any forward-looking statements made in this press release. Any forward-looking statement speaks only as of the date as of which it is made, and, except as otherwise required by law, we do not undertake any obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise. New factors emerge from time to time, and it is not possible for us to predict which will arise.
