Oscar Launches New Affordable Health Insurance Choices for El Paso Individuals, Families, and Businesses

EL PASO, Texas--(BUSINESS WIRE)-- Oscar Health, Inc. (“Oscar”) (NYSE: OSCR), a leading healthcare technology company, today is introducing affordable, tech-powered health plans for individuals, families, and businesses across the El Paso region on the individual marketplace for 2026 Open Enrollment. Local residents can now experience the Oscar difference – healthcare that’s simple, personal, and easy to use at every step.

Oscar – the health plan of choice in Texas for more than 10 years – is a fan favorite with technology that delivers unexpected experiences. More than 3 in 5 members recommend Oscar to their family and friends because Oscar treats them like family and friends.[1]

The following Oscar insurance[2] plans will be available in the El Paso and Hudspeth counties starting Jan. 1, 2026:

- *Oscar Bronze, Silver, and Redesigned Gold Plans:* Coverage options designed for all budgets, health needs, and cultural backgrounds. Enjoy convenient access to top providers, $0 virtual urgent and $0 primary care visits 24/7,[3] dedicated Oscar Care Guides for one-on-one support, low-cost prescriptions with easy refills and home delivery, and smart technology to help everyone make confident and informed health decisions.
  The Oscar *Guided Care HMO* returns to El Paso this year. This tech-first product, first launched last year, delivers lower premium and out-of-pocket costs. Oscar’s technology connects members to a primary care provider and a network of specialists with urgent and real-time referrals to create exceptional experiences. Benefits include: $0 virtual urgent care; $0 medications; and low-cost labs and integrated virtual-first specialty care.[4]
- *Oswell*: A personal health AI agent that empowers members with on-demand support about medications, common test results, symptoms, prescription refills, drug interactions, and more. Oswell pulls from medical records, interactions with Oscar care guides, and plan benefits for personal engagement every time – with quick connections to $0 virtual care, live chats with Oscar clinicians[5] and in-network doctors.
- *HelloMeno:* A bold new program that introduces the first-ever menopause plan in the individual market to help women navigate midlife with confidence. The plan offers $0 primary care, gynecologist, and behavioral health visits[3] – plus no-cost labs, hormone therapy, insomnia medications, and bone density scans. Members can talk to a trusted network of experts at Elektra Health 24/7, receive exclusive wellness rewards, and save ~$900 per year.[6]
- *Condition focused plan*: Tailored coverage experiences for members with diabetes, COPD, asthma, and cardiovascular-kidney-metabolic syndrome. Members can save up to $800 a year[6] and get critical care for free. Think $0 primary, pulmonology,

endocrinology, cardiology, and behavioral care; $0 labs; $0 pulmonary and cardiac rehab, pulmonary function tests, and oxygen; $0 diabetic eye and foot exams; $0 inhalers; $0 insulin; $0 health coaching and medical devices.[4]

Individuals and families can enroll starting Nov. 1, 2025, by visiting Healthcare.gov, calling 1-855-672-2788, or speaking to an insurance agent.

Cautionary Note Regarding Forward-Looking Statements
This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact contained herein are forward-looking statements. These statements include, but are not limited to, statements about our business prospects; our plans and products, our technology, including the functionality of our AI tools; and our management's plans and objectives for future operations, expectations and business strategy. In some cases, you can identify forward-looking statements by terms such as "may," "will," "should," "expects," "plans," "anticipates," "could," "intends," "targets," "projects," "contemplates," "believes," "estimates," "predicts," "potential," or "continue" or the negative of these terms or other similar expressions. Accordingly, we caution you that any such forward-looking statements are not guarantees of future performance and are subject to risks, assumptions, and uncertainties that are difficult to predict and generally beyond our control. Although management believes that the expectations reflected in these forward-looking statements are reasonable as of the date made, there are or will be important factors that could cause our actual results to differ materially from those indicated in these forward-looking statements, including, but not limited to, the factors set forth under the caption "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2024, and our Quarterly Reports on Form 10-Q for the quarterly period ended March 31, 2025, and the quarterly period ended June 30, 2025, each as filed with the Securities and Exchange Commission ("SEC"), as well as our other filings with the SEC. You are cautioned not to place undue reliance on any forward-looking statements made in this press release. Any forward-looking statement speaks only as of the date as of which it is made, and, except as otherwise required by law, we do not undertake any obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise. New factors emerge from time to time, and it is not possible for us to predict which will arise.
