Blink Charging Receives Extension on Nasdaq Compliance Period

Bowie, MD, July 28, 2026 (GLOBE NEWSWIRE) -- [Blink Charging Co.](#) (NASDAQ: BLNK) ("Blink" or the "Company"), a leading global owner, operator, and provider of electric vehicle (EV) charging equipment and services, today announced that it has received formal notice from The Nasdaq Stock Market LLC ("Nasdaq") on July 28, 2026, granting the Company an additional 180 calendar day period, through January 25, 2027, to regain compliance with Nasdaq's minimum bid price requirement under Nasdaq Listing Rule 5550(a)(2).

As previously disclosed, the Company requested an extension for additional Nasdaq compliance period on July 7, 2026, as the Company continued the listing requirement for market value of publicly held shares and all other applicable requirements for initial listing standards for the Nasdaq Capital Market, with the exception of the bid price requirement. There can be no assurance that Nasdaq will grant the requested extension or that the Company will regain compliance within the applicable compliance period. Blink will continue to monitor its compliance status and will provide updates as appropriate.

###

About Blink Charging

Blink Charging Co. (Nasdaq: BLNK) is a global leader in electric vehicle (EV) charging equipment and services, enabling drivers, hosts, and fleets to easily transition to electric transportation through innovative charging solutions. Blink's principal line of products and services include Blink's EV charging network ("Blink Network"), EV charging equipment, and EV charging services. The Blink Network uses proprietary, cloud-based software that operates, maintains, and tracks the EV charging stations connected to the network and the associated charging data. Blink has established key strategic partnerships for rolling out adoption across numerous location types, including parking facilities, multifamily residences and condos, workplace locations, health care/medical facilities, schools and universities, airports, auto dealers, hotels, mixed-use municipal locations, parks and recreation areas, religious institutions, restaurants, retailers, stadiums, supermarkets, and transportation hubs.

Forward-Looking Statements

This press release contains forward-looking statements as defined within Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements, and terms such as "anticipate,"

“expect,” “intend,” “may,” “will,” “should” or other comparable terms, involve risks and uncertainties because they relate to events and depend on circumstances that will occur in the future. Those statements include statements regarding the intent, belief or current expectations of Blink Charging and members of its management, as well as the assumptions on which such statements are based. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, including achieving projected revenue, adjusted EBITDA and gross margin targets as described in Blink Charging’s periodic reports filed with the SEC, and that actual results may differ materially from those contemplated by such forward-looking statements. Except as required by federal securities law, Blink Charging undertakes no obligation to update or revise forward-looking statements to reflect changed conditions.
