## **Microchip Technology Declares Record Quarterly Cash Dividend and 5.4% Sequential Increase in Dividend Rate**

CHANDLER, Ariz.--(BUSINESS WIRE)--

Microchip Technology Incorporated (NASDAQ: MCHP), a leading provider of microcontroller and analog semiconductors, today announced that its Board of Directors has declared a quarterly cash dividend on its common stock and increased the dividend to 29.5 cents per share. The dividend is payable on August 23, 2007 to stockholders of record on August 9, 2007. Microchip initiated quarterly cash dividend payments in the third quarter of fiscal year 2003 and has increased the cash dividend by 25.5% from the dividend level one year ago.

"In spite of more challenging conditions in the industry, we are pleased to increase our dividend by 5.4% sequentially to 29.5 cents per share," said Steve Sanghi, President and CEO. "Dividends continue to be our primary vehicle to return cash to our shareholders."

### **Cautionary Statement:**

The statement contained in this release relating to dividends continuing to be our primary vehicle to return value to our shareholders is a forward-looking statement made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. This statement involves risks and uncertainties that could cause actual results to differ materially, including, but not limited to: actual cash flows generated from and used in the operation of our business; actual or projected levels of capital expenditures; our balance of cash and cash equivalents; changes in demand or market acceptance of our products and the products of our customers; the mix of inventory we hold and our ability to satisfy short-term orders from our inventory; changes in utilization of our manufacturing capacity; our ability to continue to secure sufficient assembly and testing capacity; competitive developments including pricing pressures; the level of orders that are received and can be shipped in a quarter; the level of sell-through of our products through distribution; changes or fluctuations in customer order patterns and seasonality; costs and outcome of any current or future tax audit or any litigation involving intellectual property, customers or other issues; disruptions in our business or the businesses of our customers or suppliers due to natural disasters, terrorist activity, armed conflict, war, worldwide oil prices and supply, public health concerns or disruptions in the transportation system; and general economic, industry or political conditions in the United States or internationally.
